

The real estate industry is forever changing

To succeed, you need a clear understanding of current performance, well-executed cash flow planning and risk management, and a proactive approach to changes in tax law.

Whether you are a new player in the real estate space, an established veteran of the industry or one looking to exit, Zeifmans is here for you.

Our real estate experts provide builders, contractors, developers, managers and passive investors throughout North America with financial management, compliance and tax planning solutions that add to their bottom line. We help our clients create efficient tax strategies so they can keep their energies focused on opportunities and growth.

We draw upon over 50 years of experience providing audit, accounting, tax, consulting and compliance services to real estate partnerships, joint ventures, and corporations.
