ACS PRECISION COMPONENTS PARTNERSHIP

Respondent

**FIFTH REPORT TO THE COURT
SUBMITTED BY ZEIFMAN PARTNERS INC. AS RECEIVER**

Introduction

1. By Order of the Honourable Mr. Justice Campbell dated May 6, 2010, Zeifman Partners Inc. (the "Receiver") was appointed as receiver without security of all of the assets, undertakings and properties of ACS Precision Components Partnership ("ACS") acquired for, or used in relation to a business carried on by ACS (the "Receivership Order"). A copy of the Receivership Order is attached hereto as **Schedule A**.
2. Unless otherwise indicated in this Report, all dollar amounts are in Canadian dollars.

Previous Reports

3. On May 17, 2010, the Receiver filed its first report to the Court to provide the Court with facts in respect of a mold (the "Omega Tooling") fabricated by and in the possession of Omega Tool Corporation ("Omega") which was required by ACS on an urgent basis to produce parts for its customer, A.G. Simpson Automotive Inc. On May 17, 2010 the Honourable Mr. Justice Cameron made an Order (the "Omega Order") directing Omega to forthwith deliver possession of the Omega Tooling to the Receiver without prejudice to the rights and claims of Omega and all other parties

asserting a claim to the Omega Tooling. A copy of the Omega Order is attached hereto as **Schedule B**.

4. On May 26, 2010, the Receiver filed its second report to the Court to provide the Court with facts in respect of a mold and inserts (collectively the "Aalbers Tooling") fabricated by and in the possession of Aalber's Tool & Mold Inc. ("Aalbers") which were required by ACS on an urgent basis to produce parts for its customer, Brose Canada Inc. ("Brose Canada"). On May 28, 2010 the Honourable Madam Justice Pepall made an Order (the "Aalbers Order") directing Aalbers to deliver possession of the Aalbers Tooling to the Receiver upon written confirmation being provided by the Receiver to Aalbers that Brose Canada had deposited with the Receiver US\$203,032 (the "Aalbers Fund") to stand in the place and stead of the Aalbers Tooling pending a determination of Aalbers' rights, if any, in respect of the Aalbers Tooling. A copy of the Aalbers Order is attached hereto as **Schedule C**.
5. On June 3, 2010, the Receiver filed its third report (the "Third Report") to the Court to, *inter alia*, (i) report to the Court on the activities of the Receiver and conduct of the receivership (ii) request approval for a key employee retention plan (the "Retention Plan") and (iii) seek directions for the determination of claims, if any, made by Omega and Aalbers to the Omega Tooling and Aalbers Fund. On June 15, 2010 the Honourable Madam Justice Hoy made an Order (the "Hoy Order") approving the Third Report and the Retention Plan and establishing a process to have the claims of Omega and Aalbers to the Omega Tooling and the Aalbers Fund, if any, determined. A copy of the Hoy Order is attached hereto as **Schedule D**.
6. On June 8, 2010, the Receiver filed its fourth report to the Court to provide the Court with facts in respect of production inserts (collectively the "AarKel Tooling") fabricated by and in the possession of AarKel Tool and Die Inc. ("AarKel") which were required by ACS on an urgent basis to produce parts for its customer, Brose North America, Inc. ("Brose NA"). On June 10, 2010 the Honourable Madam Justice Hoy made an Order (the "AarKel Order") directing AarKel to deliver possession of seven production modular inserts (the "Production Modular Inserts") to the Receiver

upon written confirmation being provided by the Receiver to AarKel's solicitor that Brose NA had deposited with the Receiver \$47,646.35 (the "AarKel Inserts Fund") to stand in the place and stead of the Production Modular Inserts pending a determination of AarKel's rights, if any, in respect of the Production Modular Inserts. A copy of the AarKel Order is attached hereto as **Schedule E**.

Purpose of Report

7. The purpose of this Report is to:
 - (a) advise this Honourable Court on the activities of the Receiver and the conduct of the receivership from the date of the Third Report;
 - (b) request an Order approving the conduct and activities of the Receiver to date;
 - (c) request an Order approving the Receiver's Statement of Receipts and Disbursements for the period from May 6, 2010 to August 6, 2010;
 - (d) request a vesting Order in respect of:
 - (i) two pieces of dedicated equipment and one set of tooling sold by the Receiver since the date of the Third Report pursuant to the powers granted to the Receiver by paragraph 3(1) of the Receivership Order; and
 - (ii) future sales of assets which may hereafter be completed by the Receiver pursuant to the powers granted to the Receiver by paragraph 3(1) of the Receivership Order.
 - (e) advise the Court on the status of the claim of AarKel to the AarKel Inserts Fund;
 - (f) request an Order varying the Hoy Order to extend the timeline for the filing of motion materials for the determination of Omega's claim, if any, to the Omega Tooling;

- (g) request an Order approving a distribution to Bank of Montreal (“BMO”) in respect of BMO’s secured claim for the amount of the direct indebtedness of ACS to BMO;
- (h) request an Order authorizing the Receiver to pay to BMO, if requested by BMO, amounts owing to BMO under a guarantee provided by ACS to BMO for the liabilities of Omex Manufacturing LLC (“Omex”);
- (i) request an Order approving the professional fees of the Receiver and its legal counsel as reflected herein; and
- (j) request an Order sealing the Confidential Supplement to this the Receiver’s Fifth Report.

The Business of ACS

- 8. ACS is a registered Ontario partnership of A-C (Plastics) Holdings Inc. (“Plastics”) (as to a 51% interest) and 2178124 Ontario Inc. (“217”) (as to a 49% interest). Plastics is in turn owned by Anderson-Cook, Inc., an American manufacturing company with operations in four countries. 217 is in turn ultimately owned and controlled by Douglas Spittal, a businessman with turnaround expertise in the automotive industry.
- 9. Prior to the making of the Receivership Order, ACS carried on a plastic injection molding and related mold building business from leased premises located at 1574 Eagle Street North, Cambridge, Ontario. The customer base of ACS consisted primarily of tier one parts suppliers to the automotive industry.

Activities of the Receiver

- 10. Since the date of the Third Report, the Receiver has continued to oversee the day to day management of ACS’s business.
- 11. As previously reported to the Court in the Receiver’s Third Report, the Receiver entered into Accommodation Agreements with ACS customers to allow for continued

production of parts and the building of parts banks for those customers. The Accommodation Agreements were for a term ending July 2, 2010 (being the projected exit date of DorteC Industries, a division of Magna Closures Inc. ("Magna"), ACS' largest customer representing approximately 60% of ACS historical sales) and provided for a 30% surcharge for parts shipped during the receivership.

12. The Accommodation Agreements permitted the Receiver, on notice to the customers, to increase the surcharge if the Receiver believed that the surcharge was insufficient to fully fund all cash losses incurred or to be incurred in producing component parts for customers.
13. On or around June 25, 2010, the Receiver provided written notice (the "Surcharge Increase Notice") to the customers advising that the 30% surcharge was insufficient to fund the cash losses and that a premium of 40% was required for all production after July 2, 2010. A sample copy of the Surcharge Increase Notice is attached hereto as **Schedule F**.
14. Nine customers acknowledged and agreed to the increase in the surcharge to 40%. Subsequent to July 2, 2010 the Receiver has only continued production for those customers which agreed to pay the increased surcharge.
15. As at the date of this report, the Receiver is causing ACS to continue production on behalf of six customers. These customers continue to require ACS to produce parts on their behalf in order to build a sufficient bank of parts to transition supply to new suppliers.
16. Based on ACS production plans and communications with customers, the Receiver anticipates that ACS production will substantially cease on or around September 3, 2010. However, Delphi Automotive Systems, LLC ("Delphi") has requested that its production, on a limited basis, be extended to September 17, 2010. In return, Delphi has advised that it will support the losses of ACS over the September 3-17, 2010 time period.

17. The Receiver is continuing to exit various ACS customers who no longer have continued production at the facility. The Receiver has implemented processes so that all useable and merchantable inventory is purchased and open accounts are collected prior to the release of customer owned tooling.
18. As of the date of the Receiver's appointment, ACS had approximately 53 customers with tooling located at the ACS premises. As of the date of this report, ACS has approximately 15 customers with tooling remaining at the ACS premises, six of which remain in active production.
19. Since the Receiver's Third Report to the Court, pursuant to Paragraph 15 of the Receivership Order, the Receiver terminated 44 hourly employees effective July 5, 2010 and an additional 42 employees, consisting of 15 salaried and 27 hourly employees, (collectively, the "Terminated Employees") thereafter.
20. Given the exit of the majority of ACS customers and business, the Terminated Employees were not required for ongoing operations.
21. As at the date of this report, ACS has 51 employees of which 8 are salaried employees and 43 are hourly employees. There is no certified bargaining agent that represents the employees of ACS.
22. All twelve employees who were offered key employee retention payments ("KERP"), pursuant to the Retention Plan approved by the Court in the Hoy Order, accepted same. Two of those employees subsequently found other jobs and resigned. KERP payments were not made to those employees as they no longer qualified for such payments. Two other employees were terminated by the Receiver because their services were no longer required. They received KERP payments in accordance with their signed retention letters.

Equipment and Tooling Sales

23. Pursuant to Paragraph 3 (l) of the Receivership Order, the Receiver was empowered and authorized to sell, convey, transfer, lease, or assign the property of ACS or any

part or parts thereof out of the ordinary course of business without the approval of the Court in respect of any transaction not exceeding \$250,000, provided that the aggregate consideration for all such transactions does not exceed \$1,000,000.

24. Pursuant to the powers granted to it by the Receivership Order, the Receiver has completed two sales of dedicated equipment (i.e. equipment used exclusively or substantially exclusively in the production of component parts for a single customer) and one set of tooling. The Receiver requests vesting orders be made in favour of the purchasers of such equipment and tooling.

Sale of Dedicated Equipment

25. As at the date of this report, the Receiver has sold two pieces of dedicated equipment as follows:

- (a) an Engel 450 Ton Two Shot Injection Molding Machine and auxiliary equipment (collectively the "Magna Equipment") was sold to Magna on June 30, 2010 for \$135,000, plus GST, the full particulars of which are contained in Magna's Purchase Order Number 84413 dated June 30, 2010 and ACS's invoice number MA0000117 dated June 30, 2010, copies of which are attached as **Schedule G** hereto. Magna has made full payment to the Receiver of the purchase price for the Magna Equipment and the Magna Equipment has been removed by Magna from the ACS premises; and
- (b) an Engel 55 Ton Verticle Clamp Rotary Table Injection Moulding Machine and auxiliary equipment (collectively the "Ritz Equipment") was sold to Ritz Plastics Inc. ("Ritz") on July 15, 2010 for \$15,000 plus HST, the full particulars of which are contained in Ritz Purchase Order Number P0010223 dated July 15, 2010 and ACS invoice number MA0000136 dated July 15, 2010, copies of which are attached as **Schedule H** hereto. It is the Receiver's understanding that Magna has resourced some of its production requirements from ACS to Ritz. Ritz has made full payment to the Receiver of the purchase price for the Ritz Equipment and the Ritz Equipment has been removed by Ritz from the ACS premises.

Sale of Tooling

26. In 2009, ACS was awarded a contract by Brose NA (the "Brose NA Contract") to supply Brose NA with parts for latch assemblies to be supplied by Brose NA to its customer, Ford, for a new model of the Ford Focus motor vehicle.
27. In November 2009, ACS issued a purchase order to AarKel (under its former name Aark Canada Inc.) to build, *inter alia*, three modular bases at a price of \$187,150 (the "Bases"). The Bases were ordered by ACS to allow ACS to produce parts for Brose NA under the Brose NA Contract and were to be owned by ACS.
28. The Bases consist of two 2-position bases (the "2-Position Bases") and one 4-position base (the "4-Position Base"). The 2-Position Bases had been shipped by AarKel to ACS prior to the date of the receivership and were in the possession of ACS at the date of the receivership. The 4-Position Base was in the possession of AarKel and remained in the possession of AarKel at the date of the receivership.
29. The cost of the two 2-Position Bases was roughly equal to the cost of the 4 Position Base.
30. Because the Bases were made to produce specific parts for Brose NA, the Bases have no value to anyone except Brose NA. The Bases have a nominal scrap value.
31. By letter dated July 30, 2010, Brose NA offered to purchase the Bases for USD \$100,000 (the "Brose Offer"). Attached as **Schedule I** is a copy of the Brose Offer. This is the best and only offer received by the Receiver for the Bases.
32. Brose NA advised the Receiver that it was pursuing resourcing alternatives through a European supplier which already had the required tooling to produce the latch assembly parts or the production of the required tooling in house. If either of those options was taken by Brose NA, it would have no use for the Bases. Because it needed to finalize its resourcing arrangements, Brose NA made it clear to the Receiver that unless its offer was accepted virtually immediately, those other options would be pursued.

33. AarKel had never issued invoices to ACS for the Bases and ACS had made no payments prior to the receivership to AarKel for the Bases. There was an issue as to ownership of the Bases. AarKel claimed to be the owner of the Bases.
34. The AarKel Order made by Madam Justice Hoy did not address any claims which AarKel might have to the Bases.
35. Given the risk that there would be virtually no recovery to the creditors from the Bases if the Brose NA offer was not accepted, that AarKel was in possession of the 4-Position Base and Brose NA would not purchase the 2-Position Bases without the 4-Position Base and the ownership dispute, the Receiver, with the agreement of AarKel, accepted the Brose Offer to purchase the Bases for USD \$100,000 (the "Brose Sale Proceeds") and agreed to split the Brose Sale Proceeds with AarKel on a 50/50 basis in complete satisfaction of any claims that AarKel may have had in relation to the Bases.
36. A copy of the invoice issued by ACS to Brose for the Bases is attached as **Schedule J** hereto.

Pending Sales of Equipment

37. The Receiver has negotiated three other sales (the "Pending Equipment Sales") for dedicated equipment which is still being used and is required by the Receiver for the production of component parts for customers. These sales will be completed once the equipment is no longer required for ongoing production requirements. The particulars of those sales are as follows:
 - (a) The Receiver has agreed to sell a Cincinnati 550 Ton Injection Molding Machine, ABB Robot, and auxiliary equipment (collectively the "Omex Equipment") to Omex for \$68,000 plus HST, the full particulars of which are contained in Omex Purchase Order Number S-29111 dated July 21, 2010, a copy of which is attached as **Schedule K** hereto. Omex is a resourced supplier to Brose Canada and the Omex Equipment is dedicated to produce component parts for Brose Canada;

(b) The Receiver has agreed to sell the following equipment (collectively the “Delphi Equipment”) to Delphi:

- (i) an Engel 55 Ton Press for USD \$27,000,
- (ii) a 1994 Engel 250 Ton Vertical Press for USD \$47,500; and
- (iii) a 1997 Engel 250 Ton Press for USD \$55,500.

The particulars of the Delphi Equipment are contained in Delphi Purchase Order numbers 451104225, 451104227 and 451104224 all dated August 13, 2010, copies of which are attached as **Schedule L** hereto.

(c) The Receiver has agreed to sell an Engel 200 Ton Press and an Engel 150 Ton Press (collectively the “Eckerle Equipment”) to Eckerle de Mexico (“Eckerle”) for USD \$98,000, the full particulars of which are contained in Eckerle Purchase Order number 39455 dated August 12, 2010, a copy of which is attached as **Schedule M** hereto.

38. The Receiver is also in the process of negotiating other equipment sales, the particulars of which will be reported to the Court if agreements are reached.

Appraisal

39. A copy of an Orderly Liquidation appraisal dated April 23, 2010 completed by Corporate Assets Valuations (the “Corporate Assets Appraisal”) is contained in the Confidential Supplement to this Report. The Corporate Assets Appraisal includes valuations of the Magna Equipment, Ritz Equipment and the equipment which is the subject of the Pending Equipment Sales. A sealing order is being sought in respect of the Confidential Supplement. The Receiver is of the view that the sales of the Magna Equipment, Ritz Equipment and Bases completed by the Receiver were commercially reasonable and in the best interests of the creditors of ACS and that the pending sales of the Omex Equipment, Delphi Equipment and Eckerle Equipment are also commercially reasonable and in the best interests of the creditors of ACS.

AarKel Inserts Fund

40. Subsequent to the AarKel Order, Brose NA deposited with the Receiver the AarKel Inserts Fund, as contemplated by the AarKel Order. AarKel subsequently delivered up possession of the Production Modular Inserts to the Receiver. The AarKel Inserts Fund was to stand in the place of the Production Modular Inserts for the purpose of determining the nature, priority and amount of AarKel's claim against the Production Modular Inserts.
41. Counsel for AarKel has advised the Receiver's counsel that AarKel no longer intends to pursue a claim in respect of the Production Modular Inserts. Attached as **Schedule N** hereto is a copy of an e-mail dated August 11, 2010 from counsel for AarKel to counsel for the Receiver confirming same. Accordingly, the Receiver has released the AarKel Inserts Fund from trust.

Variation of Hoy Order

42. In accordance with the Omega Order and Aalber's Order, the Aalbers Tooling and the Omega Tooling were delivered up to the Receiver.
43. In accordance with the Hoy Order, Aalbers served motion materials by July 16, 2010 seeking a determination of its claim.
44. Counsel for the Receiver and Omega agreed to a 10-day extension for Omega to file its motion materials. Subsequently, Omega retained new counsel and Omega's motion materials have not yet been filed. Counsel for Omega has advised counsel for the Receiver that Omega's motion materials will be served on counsel for the Receiver by August 25, 2010.
45. The Receiver requests an Order varying the Hoy Order to grant Omega an extension of time to file its motion materials.

Receiver's Borrowings

46. The Receivership Order authorized the Receiver to issue Receiver's Certificates to borrow up to \$600,000. The Receiver exercised that power and borrowed \$325,991 to fund the initial period of the receivership during which the Accommodation Agreements were being negotiated with ACS customers. All such borrowings were repaid to BMO effective June 10, 2010.

Receiver's Statement of Receipts and Disbursements

47. The Receiver's Interim Statement of Receipts and Disbursements for the period from May 6, 2010 to August 6, 2010 is attached hereto at **Schedule O**. In summary, receipts total \$11,654,009 and disbursements total \$5,792,382 with a resulting excess of receipts over disbursements of \$5,861,627.

BMO'S Loans and Security

48. BMO is the primary secured creditor of ACS. ACS is indebted to BMO in respect of the following (collectively the "BMO Debt"):
- (a) for credit facilities extended by BMO to ACS (the "ACS Loans");
 - (b) for legal costs incurred by BMO and recoverable under the terms of the BMO Security (the "Legal Costs" and together with the "ACS Loans", the "ACS Direct Debt"); and
 - (c) pursuant to a guarantee dated December 31, 2008 granted by ACS to BMO in the principal amount of \$2,850,000 for the liabilities of Omex (a related company which carries on business in Stratford, Ontario) to BMO (the "Omex Guarantee Debt").
49. As at August 23, 2010 the amounts outstanding on the BMO Debt were as follows:

ACS Loans

Principal	\$3,168,917.78
Interest	\$ 9,597.42

Legal Costs

·	Miller Thomson accounts dated December 18, 2009, February 11, 2010 and March 9, 2010 relating to pre-receivership security matters	\$ 8,404.53
·	Foreign counsel accounts relating to pre-receivership security matters	
·	Wilkinson & Grist account dated May 12, 2010	\$ 65,800.00 (HK) (approx. CAD\$9,000)
·	Maddin Hauser account dated May 3, 2010	\$ 968.00 (US)
·	Miller Thomson accounts dated May 14, 2010 and June 24, 2010 relating to enforcement of security and Receivership Application	\$ 33,398.07

Omex Guarantee Debt

·	Principal	\$1,335,761.23
·	Interest	\$ 4,017.92

50. Interest continues to accrue on the ACS Direct Debt at a per diem rate of \$413.64. The Omex Guarantee Debt fluctuates as the underlying indebtedness of Omex to BMO fluctuates.
51. BMO holds security over all of the assets and property of ACS pursuant to a General Security Agreement and security under Section 427 of the Bank Act (the "BMO Security").
52. By letter dated April 27, 2010, BMO demanded payment from ACS of the ACS Direct Debt and the Omex Guarantee Debt.

Other Secured Creditors of ACS

53. There are five registrations under the *Personal Property Security Act* (“PPSA”) against ACS. Those registrations are summarized on **Schedule P** to this Report and are in favour of the following:

- (a) BMO;
- (b) ATS Automation Tooling Systems Inc. (“ATS”);
- (c) Omega (two registrations); and
- (d) De Lage Landen Financial Services Canada Inc. (“De Lage Landen”).

A copy of a search of registrations under the PPSA as of August 24, 2010 is attached as **Schedule Q** hereto.

54. The ATS PPSA registration relates to a vendor take back debt owing to ATS from the sale of the ACS business by ATS to ACS in December, 2008 for which ATS holds security over the assets of ACS. At the time of the appointment of the Receiver, the Receiver was advised by Peter Beynon, the general manager of ACS, that approximately \$1.87 million was owing by ACS to ATS on that debt. ATS has postponed and subordinated that debt and the security held for that debt to the BMO Debt and the BMO Security.

55. It is the Receiver’s understanding that the Omega PPSA registrations relate to amounts owing by ACS to Omega with respect to the Omega Tooling (approximately \$140,000).

56. The Receiver has also been advised by Peter Beynon that the De Lage Landen PPSA registration relates to the lease of a fork lift which remains in the possession of the Receiver.

Repairer's Lien Claim

57. Miller's Electric Ltd. ("Millers") is asserting a lien under the *Repair and Storage Liens Act* ("RSLA") in the amount of \$286,831 in respect of the Magna Equipment, the Ritz Equipment, the Omex Equipment, the Delphi Equipment, the Eckerle Equipment and other equipment owned by ACS (collectively, the "Equipment").
58. Pursuant to section 7(5) of the RSLA, a non-possessory lien is enforceable only if the lien claimant obtains a signed acknowledgement of the indebtedness. The Receiver has not yet determined the validity of the lien claim being asserted by Millers under the RSLA.

Security Opinion and Distribution to BMO

59. The Receiver has obtained an independent legal opinion which confirms that, subject to the customary exceptions and qualifications, the security interest granted by ACS in favour of BMO is valid and enforceable. A copy of the legal opinion is attached hereto as **Schedule R**.
60. Employee wages and other priority payables (employee source deductions for income tax, CPP and EI, goods and services tax and retail sales tax) were paid current to the date of the receivership. On June 30, 2010 the Receiver paid all vacation pay owing to the hourly employees. Salaried employees are paid their vacation pay upon termination.
61. The Receiver is only aware of the following pre-receivership claims which may have priority over the BMO Debt:
 - (a) the claim of Omega Tool in respect of the Omega Tooling (approximately \$140,000);
 - (b) the claim of Aalbers Tooling to the Aalbers Fund;
 - (c) the claim of De Lage Landen for the forklift lease;

(d) the Millers' RSLA Lien; and

(e) approximately \$13,000 of vacation pay owing to salaried employees who remain employed by ACS.

Other than the \$13,000 of vacation pay owing to salaried employees, the validity and priority of the above claims has not yet been determined. Sufficient funds remain available in the Receiver's possession should such claims be determined to be valid and in priority to the claims of other creditors.

62. The Receiver proposes to make a distribution to BMO of the amount owing to BMO in respect of the ACS Direct Debt, being \$3,220,317.80, plus the Canadian dollar equivalent of HK\$65,800 (approximately \$9,000), plus US\$968, plus additional interest thereon from August 23, 2010 to the date of payment at the per diem rate of \$413.64.
63. BMO continues to make credit facilities available to Omex. Although BMO demanded payment of the Omex Guarantee Debt from ACS, BMO has advised the Receiver that it does not require payment of the Omex Guarantee Debt at this time, although it may do so in the future. Accordingly, the Receiver requests that the Court authorize the Receiver, subject to availability of funds, to make payment to BMO of the Omex Guarantee Debt, if so requested by BMO.

Professional Fees

64. The Receiver and its legal counsel have maintained detailed records of their professional time and costs since the Receivership Order.
65. Pursuant to paragraph 19 of the Receivership Order, any expenditure or liability which shall properly be made or incurred by the Receiver, including the fees of the Receiver and the fees and disbursements of its legal counsel, incurred at the standard rates and charges of the Receiver and its counsel, shall be allowed to it in passing its accounts and shall form a first charge on the property of ACS in priority to all

security interests, trusts, liens, charges and encumbrances, statutory or otherwise, in favour of any person.

66. The total fees and disbursements of the Receiver for the period from April 28, 2010 to July 31, 2010 amount to \$315,083.72, plus GST/HST. These fees and disbursements are particularized in the Affidavit of Allan Rutman, sworn August 20, 2010 and the invoices are attached as related exhibits.
67. The total fees and disbursements billed by Miller Thomson LLP ("MT"), counsel to the Receiver, for the period from May 10, 2010 to July 31, 2010 amount to \$84,817.31, plus GST/HST. These fees and disbursements are particularized in the Affidavit of Sherry Kettle, sworn August 25, 2010 and the invoices attached as related exhibits.
68. It is the Receiver's opinion that the fees and disbursements of the Receiver and MT (collectively, the "Professional Fees") are fair and reasonable and justified in the circumstances, and accurately reflect the work done by the Receiver and MT in connection with the receivership during the relevant periods. The Receiver recommends approval of the Professional Fees by this Honourable Court.

Recommendation of the Receiver

69. In light of the foregoing, the Receiver respectfully requests this Honourable Court to:
 - (a) approve the conduct and activities of the Receiver to date;
 - (b) approve the Statement of Receipts and Disbursements;
 - (c) make an Order approving *nunc pro tunc* the sales completed by the Receiver of the Magna Equipment, Ritz Equipment and Bases and the vesting of such assets in the purchasers free and clear of all encumbrances;
 - (d) make an Order approving the Pending Equipment Sales and such other sales of assets as may be completed by the Receiver pursuant to the powers granted to the

Receiver by paragraph 3(1) of the Receivership Order and the vesting of such assets in the purchasers free and clear of all encumbrances;

- (e) make an Order varying the Hoy Order to extend the deadline for the filing of motion materials by Omega for the determination of its claim, if any, to the Omega Tooling;
- (f) approve the distribution of \$3,220,317.80, the Canadian dollar equivalent of HK \$65,800 and US\$968 plus additional interest thereon at a per diem rate of \$413.64 from August 23, 2010 to BMO on account of the ACS Direct Debt;
- (g) make an Order authorizing the Receiver to pay to BMO, if requested by BMO and subject to availability of funds, the Omex Guarantee Debt;
- (h) approve the Professional Fees of the Receiver and MT; and
- (i) make an Order sealing the Confidential Supplement;

Conclusion

70. All of the foregoing is respectfully submitted this 25th day of August, 2010.

RECEIVER TO HOLD FUNDS

14. THIS COURT ORDERS that all funds, monies, cheques, instruments, and other forms of payments received or collected by the Receiver from and after the making of this Order from any source whatsoever, including without limitation the sale of all or any of the Property and the collection of any accounts receivable in whole or in part, whether in existence on the date of this Order or hereafter coming into existence, shall be deposited into one or more new accounts to be opened by the Receiver (the "Post Receivership Accounts") and the monies standing to the credit of such Post Receivership Accounts from time to time, net of any disbursements provided for herein, shall be held by the Receiver to be paid in accordance with the terms of this Order or any further Order of this Court.

EMPLOYEES

15. THIS COURT ORDERS that all employees of the Debtor shall remain the employees of the Debtor until such time as the Receiver, on the Debtor's behalf, may terminate the employment of such employees. The Receiver shall not be liable for any employee-related liabilities, including any successor employer liabilities as provided for in section 14.06(1.2) of the BIA, other than such amounts as the Receiver may specifically agree in writing to pay, or in

respect of its obligations under sections 81.4(5) and 81.6(3) of the BIA or under the *Wage Earner Protection Program Act*.

PIPEDA

16. THIS COURT ORDERS that, pursuant to clause 7(3)(c) of the Canada *Personal Information Protection and Electronic Documents Act*, the Receiver shall disclose personal information of identifiable individuals to prospective purchasers or bidders for the Property and to their advisors, but only to the extent desirable or required to negotiate and attempt to complete one or more sales of the Property (each, a "Sale"). Each prospective purchaser or bidder to whom such personal information is disclosed shall maintain and protect the privacy of such information and limit the use of such information to its evaluation of the Sale, and if it does not complete a Sale, shall return all such information to the Receiver, or in the alternative destroy all such information. The purchaser of any Property shall be entitled to continue to use the personal information provided to it, and related to the Property purchased, in a manner which is in all material respects identical to the prior use of such information by the Debtor, and shall return all other personal information to the Receiver, or ensure that all other personal information is destroyed.

LIMITATION ON ENVIRONMENTAL LIABILITIES

17. THIS COURT ORDERS that nothing herein contained shall require the Receiver to occupy or to take control, care, charge, possession or management (separately and/or collectively, "Possession") of any of the Property that might be environmentally contaminated, might be a pollutant or a contaminant, or might cause or contribute to a spill, discharge, release or deposit of a substance contrary to any federal, provincial or other law respecting the protection, conservation, enhancement, remediation or rehabilitation of the environment or relating to the disposal of waste or other contamination including, without limitation, the *Canadian Environmental Protection Act*, the *Ontario Environmental Protection Act*, the *Ontario Water Resources Act*, or the *Ontario Occupational Health and Safety Act* and regulations thereunder (the "Environmental Legislation"), provided however that nothing herein shall exempt the Receiver from any duty to report or make disclosure imposed by applicable Environmental Legislation. The Receiver shall not, as a result of this Order or anything done in

pursuance of the Receiver's duties and powers under this Order, be deemed to be in Possession of any of the Property within the meaning of any Environmental Legislation, unless it is actually in possession.

LIMITATION ON THE RECEIVER'S LIABILITY

18. THIS COURT ORDERS that the Receiver shall incur no liability or obligation as a result of its appointment or the carrying out the provisions of this Order, save and except for any gross negligence or wilful misconduct on its part, or in respect of its obligations under sections 81.4(5) and 81.6(3) of the BIA or under the *Wage Earner Protection Program Act*. Nothing in this Order shall derogate from the protections afforded the Receiver by section 14.06 of the BIA or by any other applicable legislation.

RECEIVER'S ACCOUNTS

19. THIS COURT ORDERS that the Receiver and counsel to the Receiver shall be paid their reasonable fees and disbursements, in each case at their standard rates and charges, and that the Receiver and counsel to the Receiver shall be entitled to and are hereby granted a charge (the "Receiver's Charge") on the Property, as security for such fees and disbursements, both before and after the making of this Order in respect of these proceedings, and that the Receiver's Charge shall form a first charge on the Property in priority to all security interests, trusts, liens, charges and encumbrances, statutory or otherwise, in favour of any Person, but subject to sections 14.06(7), 81.4(4), and 81.6(2) of the BIA.

20. THIS COURT ORDERS that the Receiver and its legal counsel shall pass its accounts from time to time, and for this purpose the accounts of the Receiver and its legal counsel are hereby referred to a judge of the Commercial List of the Ontario Superior Court of Justice.

21. THIS COURT ORDERS that prior to the passing of its accounts, the Receiver shall be at liberty from time to time to apply reasonable amounts, out of the monies in its hands, against its fees and disbursements, including legal fees and disbursements, incurred at the normal rates and charges of the Receiver or its counsel, and such amounts shall constitute advances against its remuneration and disbursements when and as approved by this Court.

FUNDING OF THE RECEIVERSHIP

22. THIS COURT ORDERS that the Receiver be at liberty and it is hereby empowered to borrow by way of a revolving credit or otherwise, such monies from time to time as it may consider necessary or desirable, provided that the outstanding principal amount does not exceed \$600,000 (or such greater amount as this Court may by further Order authorize) at any time, at such rate or rates of interest as it deems advisable for such period or periods of time as it may arrange, for the purpose of funding the exercise of the powers and duties conferred upon the Receiver by this Order, including interim expenditures. The whole of the Property shall be and is hereby charged by way of a fixed and specific charge (the "Receiver's Borrowings Charge") as security for the payment of the monies borrowed, together with interest and charges thereon, in priority to all security interests, trusts, liens, charges and encumbrances, statutory or otherwise, in favour of any Person, but subordinate in priority to the Receiver's Charge and the charges as set out in sections 14.06(7), 81.4(4), and 81.6(2) of the BIA.

23. THIS COURT ORDERS that neither the Receiver's Borrowings Charge nor any other security granted by the Receiver in connection with its borrowings under this Order shall be enforced without leave of this Court.

24. THIS COURT ORDERS that the Receiver is at liberty and authorized to issue certificates substantially in the form annexed as Schedule "B" hereto (the "Receiver's Certificates") for any amount borrowed by it pursuant to this Order.

25. THIS COURT ORDERS that the monies from time to time borrowed by the Receiver pursuant to this Order or any further order of this Court and any and all Receiver's Certificates evidencing the same or any part thereof shall rank on a *pari passu* basis, unless otherwise agreed to by the holders of any prior issued Receiver's Certificates.

GENERAL

26. THIS COURT ORDERS that the Receiver may from time to time apply to this Court for advice and directions in the discharge of its powers and duties hereunder.

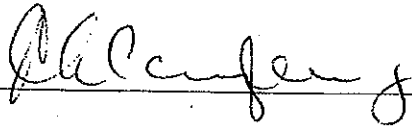

27. THIS COURT ORDERS that nothing in this Order shall prevent the Receiver from acting as a trustee in bankruptcy of the Debtor.

28. THIS COURT HEREBY REQUESTS the aid and recognition of any court, tribunal, regulatory or administrative body having jurisdiction in Canada or in the United States to give effect to this Order and to assist the Receiver and its agents in carrying out the terms of this Order. All courts, tribunals, regulatory and administrative bodies are hereby respectfully requested to make such orders and to provide such assistance to the Receiver, as an officer of this Court, as may be necessary or desirable to give effect to this Order or to assist the Receiver and its agents in carrying out the terms of this Order.

29. THIS COURT ORDERS that the Receiver be at liberty and is hereby authorized and empowered to apply to any court, tribunal, regulatory or administrative body, wherever located, for the recognition of this Order and for assistance in carrying out the terms of this Order, and that the Receiver is authorized and empowered to act as a representative in respect of the within proceedings for the purpose of having these proceedings recognized in a jurisdiction outside Canada.

30. THIS COURT ORDERS that the Applicant shall have its costs of this application, up to and including entry and service of this Order, provided for by the terms of the Applicant's security or, if not so provided by the Applicant's security, then on a substantial indemnity basis to be paid by the Receiver from the Debtor's estate with such priority and at such time as this Court may determine.

31. THIS COURT ORDERS that any interested party may apply to this Court to vary or amend this Order on not less than seven (7) days' notice to the Receiver and to any other party likely to be affected by the order sought or upon such other notice, if any, as this Court may order.

SCHEDULE "A"
AGREEMENT REGARDING RECEIVERSHIP

AGREEMENT REGARDING RECEIVERSHIP

ACS Precision Components Partnership, an Ontario partnership ("Borrower"), Bank of Montreal ("Lender") and Zeifman Partners Inc. ("ZP") enter into this Agreement Regarding Receivership (this "Agreement") on May 4, 2010.

BACKGROUND

A. Pursuant to a Commitment Letter dated December 16, 2008 and related loan and security documents (together, the "Loan Documents"), Lender provided secured financing to Borrower. Borrower is in default of its obligations to Lender and Lender has demanded repayment of the obligations outstanding under the Loan Documents and issued a Notice of Intention to Enforce Security pursuant to Section 244 of the *Bankruptcy and Insolvency Act* (the "Act").

B. Borrower acknowledges that as of April 22, 2010, its obligations to Lender (inclusive of its obligations arising from Borrower's guarantee of the obligations of OMEX Manufacturing ULC) totalled \$3,704,134.28 plus accrued but unpaid interest from and after April 22, 2010 and costs and expenses called for by the Loan Documents (the "Loans").

C. In an effort to maximize the value of its assets and provide an opportunity for its customers to orderly re-source their production to other suppliers, subject to the terms of this Agreement, Borrower has agreed to consent to the appointment of a receiver and manager over its assets and operations.

Based on the foregoing recitals and other good and valuable consideration, the receipt and adequacy of which are acknowledged, the parties agree as follows:

TERMS AND CONDITIONS

1. Borrower consents to each of the following:
 - (a) the granting of an Order (the "Order") by the Ontario Superior Court of Justice, Commercial List (the "Court") on the application of the Lender for the appointment of a receiver (the "Receiver") of all of the assets, undertakings and properties of the Borrower under Section 243 of the Act and Section 101 of the Courts of Justice Act; and
 - (b) the appointment in the Order of ZP as Receiver.
2. Borrower acknowledges that it is in default under the Loan Documents and pursuant to Section 244 of the Act hereby waives the 10 day notice period prescribed thereby.
3. In consideration of Borrower's consents and waivers set forth in this Agreement, Lender agrees to allow the Receiver, in acting pursuant to the Order, to use

cash proceeds of accounts receivable and inventory ("Cash Collateral") on the following terms:

- (a) the Receiver will not be allowed to use any cash proceeds from fixed asset sales (such proceeds will be segregated by the Receiver in a separate account pending Court approval for the distribution of such proceeds).
- (b) Cash Collateral may be used only to the extent the following formula is satisfied (the "Formula"):
 - (i) remaining Cash Collateral being held by Receiver in a segregated deposit account; plus
 - (ii) 90% of accounts subject to a setoff limitation substantially in the form of paragraph 3 of the form Accommodation Agreement attached as Exhibit A (the "Form Accommodation Agreement"); plus
 - (iii) 70% of raw materials and finished goods inventory which are subject to a purchase obligation under a Form Accommodation Agreement or Letter Agreement; plus
 - (iv) 85% of the amount of any tooling accounts that customers agree in writing to pay within 30 days without setoff or reduction on any basis;

is equal to or greater than the sum of the following:

- (i) the balance of the Loans (inclusive of unpaid interest and fees), plus
 - (ii) a reserve of \$100,000 (the "Wind Down Reserve"), plus
 - (iii) a reserve of \$300,000 (the "Employee Claim Reserve"), plus
 - (iv) a reserve equal to Receiver's good faith estimate of unpaid professional fees and costs owing to Receiver and its counsel (the "Fee Reserve").
- (c) The Formula will be calculated on a daily basis based on Cash Collateral, accounts receivable and inventory balances, with all amounts [other than inventory values] updated daily. [Inventory values adjusted on Tuesday of each week based on actual inventory levels as of the close of business on the prior Friday].

- (d) the Receiver will not be allowed to use any Cash Collateral for production after May 13, 2010 for any customer representing 4% or more of Borrower's historical sales unless the customer agrees to the accommodations outlined in the Form Accommodation Agreement.
- (e) Subject to the Formula and there being sufficient Cash Collateral available to fund such expenses, the Receiver may use (i) the Employee Claim Reserve to fund vacation pay and accrued but unpaid wages owing to Borrower's employees as of the effective date of the receivership, (ii) the Wind Down Reserve to fund costs and expenses incurred by Receiver after production ceases for all customers, and (iii) the Fee Reserve to pay professional fees owing to Receiver and its legal counsel.
- (f) For certainty, any "Surcharges" (as that term is defined in the Form Accommodation Agreement or the Letter Agreement, as defined below) paid by Customers will be Cash Collateral.
- (g) Lender will have no obligation to make any new advances to Borrower or the Receiver.

4. Lender will:

- (a) promptly seek the appointment of ZP as Receiver; and
- (b) consent to the Receiver's sale of dedicated machinery, equipment, tooling and fixtures owned by Borrower ("Dedicated Assets") for an amount not less than 90% of appraised fair market value as provided for in the Corporate Assets Valuations Appraisal dated April 23, 2010; for certainty, "dedicated" means used solely by Borrower in producing component parts for a particular customer and not reasonably useable in producing component parts for third parties).

5. Subject to being appointed as Receiver and this Agreement and the exhibits hereto being approved by the Court, and subject to any further Order of the Court, ZP agrees that it will:

- (a) use its best efforts to cause Borrower to produce parts banks for customers who execute the Form Accommodation Agreements substantially in the form of Exhibit "A" ("Participating Customers") and to otherwise cooperate with the Participating Customers in their re-sourcing activities;

- (b) seek expedited court approval, if necessary, to sell Dedicated Assets on the terms of subsection 4(b) above;
- (c) not allow any customer to remove Tooling (as defined in the Form Accommodation Agreement) from Borrower's possession unless (i) required to do so by court order, or (ii) the customer pays (or agrees to pay in a written agreement satisfactory to Receiver) all accounts payable owing to Borrower subject to the setoff limitations provided in the Form Accommodation Agreement (regardless of whether the customer has executed a Form Accommodation Agreement);
- (d) use Cash Collateral consistent with the terms of this Agreement;
- (e) use the Employee Claim Reserve to fund vacation pay and accrued but unpaid wages owing to Borrower's employees as of the effective date of the receivership; and
- (f) use its best efforts to get all customers representing less than 4% of Borrower's historical sales to execute and deliver a letter agreement substantially in the form of Exhibit B (the "Letter Agreement") in exchange for the Receiver allowing Borrower to produce goods for such customers.

6. ZP will have no obligations or duties under this Agreement unless and until it is appointed Receiver and this Agreement and the Exhibits hereto being approved by the Court.

7. This Agreement sets forth the entire agreement and understanding of the parties, and supersedes all prior agreements and understandings between the parties with respect to the assignment. This Agreement will be binding on, and inure to the benefit of, the parties and their successors and assigns.

8. This Agreement may be signed in counterparts, each of which will be an original and both of which taken together will constitute one agreement, and facsimile signatures will be treated as original for all purposes.

9. This Agreement may not be changed, waived, discharged or terminated orally, but only by an instrument in writing signed by the party against which enforcement of such change, waiver, discharge or termination is sought.

EXHIBIT A

CUSTOMER ACCOMMODATION AGREEMENT

Zeifman Partners Inc., solely in its capacity as receiver and manager of ACS Precision Components Partnership, an Ontario partnership ("ACS") and _____ ("Customer") enter into this Customer Accommodation Agreement (this "Agreement") as of May __, 2010.

BACKGROUND

A. ACS manufactures component parts for Customer (the "Component Parts") pursuant to various purchase orders and supply contracts (each a "Purchase Order" and collectively, the "Purchase Orders").

B. ACS defaulted on its obligations to its senior lender, Bank of Montreal ("BMO") and BMO demanded payment of all outstanding obligations on April 27, 2010.

C. On May 6, 2010 at approximately _____ p.m. E.D.T. (the "Effective Date"), the Ontario Superior Court of Justice, Commercial List (the "Receivership Court") entered an order (the "Receivership Order") appointing Zeifman Partners Inc. as receiver and manager of ACS (the "Receiver").

D. The Receivership Order provides that the Receiver is under no obligation to allow ACS to continue to produce Component Parts for any customer unless such customer enters into acceptable arrangements with the Receiver.

E. Subject to the terms and conditions of this Agreement, Receiver has agreed to allow ACS to manufacture and supply Component Parts to Customer.

BASED on the foregoing background and for good and valuable consideration, the receipt and adequacy of which is acknowledged, the parties agree as follows:

TERMS AND CONDITIONS

1. Payment of Existing Accounts. For convenience, all amounts owing by Customer to ACS for Component Parts shipped on or before the Effective Date or for tooling that has received so-called "PPAP" or equivalent approval on or before the Effective Date are collectively referred to as the "Pre-Effective Date Payables". Customer acknowledges and agrees that the Pre-Effective Date Payables are equal to at least CDN \$ _____ and that subject to any Allowed Setoffs (defined below), Customer claims no rights of setoff or any other claim of any nature whatsoever and that the foregoing amount is due and owing, in full, by the Customer to ACS. By May __, 2010 Customer will pay all Pre-Effective Date Payables subject to the terms of Section 3 below; payment will be made by cheque and must be received by the

Receiver on or before May _____, 2010 at the address set forth under the Receiver's signature below or via wire transfer as follows:

_____, Toronto Canada
SWIFT No: _____
Account No: _____
Account Name: Zeifman Partners, as receiver and manger of
ACS Precision Components Partnership

2. Expedited Payment Terms. For shipments of Component Parts to Customer after the Effective Date (the "Post-Effective Date Payables"), Customer will pay for shipments on terms of net 7 days or better.

3. Limitation of Setoff Rights. With respect to all accounts payable owing to ACS, whether arising before or after the Effective Date, Customer agrees to suspend and not assert any defenses, rights and claims for setoffs, deductions and/or recoupment other than for Allowed Setoffs. For purposes of this Agreement, "Allowed Setoffs" means setoffs, recoupments or deductions for defective or nonconforming products, short shipments, misshipments, or *bona fide* billing errors (improper invoices or mispricing). Provided further that under no circumstances will (a) Allowed Setoffs exceed ten percent (10%) of the face amount of any *bona fide* invoice, or (b) setoffs or recoupments, including Allowed Setoffs, be taken against the Surcharge (as defined below).

4. Surcharges. For all Component Parts shipped to Customer after the Effective Date, Customer agrees to pay a thirty percent (30%) surcharge (the "Surcharge") in excess of the applicable Purchase Order price. Additionally, Customer will bear the cost of premium freight to the extent it is incurred in connection with delivery of Component Parts to Customer. If Receiver, acting reasonably, believes that the Surcharge is insufficient to fully fund Customer's pro-rata share of all cash losses incurred or to be incurred in producing Component Parts for Customer (including Receiver's and its counsel's professional fees and costs, the cost of winding down the operations of ACS when all production ceases and payment of any employee claims other than termination and severance pay), on 5 days' written notice to Customer, unless Customer agrees in writing to increase its Surcharge to the level requested by Receiver, Receiver will have the right to cause ACS to cease production for Customer.

5. Tooling Purchase Orders. Customer previously entered into purchase orders or other agreements (the "Tooling Purchase Orders") with ACS for the tooling, gauges, molds, fixtures, and appurtenances thereto described on Schedule A (collectively, the "Tooling"). In turn, ACS entered into agreements with third parties to manufacture the Tooling (the "Tool Vendor"); as of the Effective Date, the Tooling was not completed such that payment was not due under the applicable Tooling Purchase Order. In respect of the Tooling Purchase Orders, Customer agrees to (a) assume full responsibility for dealing with Tool Vendors (by assuming ACS' obligations to Tool Vendor or entering into a new contract with Tool Vendor(s)), (b) within 10 days after

receipt of reasonable documentation from the Receiver to evidence the amount due, pay to Receiver an amount equal to the sum of any payments previously made by ACS to the Tool Vendors in respect of the Tooling, with such payments made without setoff, recoupment or deduction for any reason, and (c) upon the Tooling receiving final PPAP approval, pay to the Receiver (without setoff or deduction on any basis) an amount equal to the difference between (i) the applicable ACS Tooling Purchase Order price, minus (ii) amounts paid by Customer to Tool Vendors in respect of the Tooling, minus (iii) amounts paid to Receiver under subpart (b) above. Upon Customer's payment of the foregoing amounts, any right, title or interest of the Receiver or ACS to the subject Tooling will pass to Customer and Customer will thereafter be released from any further payment obligation to the Receiver or ACS on account of the Tooling Purchase Order.

6. Inventory Purchase. At the earlier of the time Customer re-sources any Component Part from ACS or when ACS ceases production of Component Parts, Customer agrees to purchase from Receiver (free and clear of all liens, security interests and charges), all raw materials, work in process and finished goods inventory related to the manufacture, production or assembly of the subject Component Part (the "Customer Inventory") that is "useable" and in a "merchantable" condition. The price for the Customer Inventory to be purchased under this Paragraph 6 will be calculated as follows:

- (a) for raw material – 100% of the cost of the raw material, with cost based on ACS' actual landed cost;
- (b) for work-in-process – 100% of the applicable Purchase Order price plus the Surcharge, with such amount pro-rated on a percentage of completion basis; and
- (c) for finished Component Parts – 100% of the applicable Purchase Order price plus the Surcharge.

For the purpose of this Agreement, the term "useable" means inventory in quantities that are reasonably useable by Customer or Customer's new suppliers in the production of Component Parts. The term "merchantable" as used in this Agreement means of good quality and in conformance with any applicable Purchase Order specifications. Customer will pay the purchase price for the Customer Inventory without setoff, recoupment or other deduction of any kind or nature prior to taking delivery of such Customer Inventory.

7. Continue to manufacture; allocation of resources. Subject to the availability of sufficient financing, raw materials, labor, machine capacity and the terms of Paragraph 4 above, Receiver will use its best efforts to cause ACS to continue to manufacture Component Parts in accordance with Customer's requirements. Production capacity and available resources will be allocated equitably among all customers providing accommodations substantially equivalent to those provided in this

Agreement (such customers are referred to collectively as the "Participating Customers").

8. Inventory Bank. Upon Customer's reasonable request and subject to availability of sufficient financing, raw materials, labor, machine capacity and the terms of Paragraph 4 above, Receiver will use its best efforts to cause ACS to build inventory banks of Component Parts ("Inventory Banks"). Inventory Banks will be shipped as produced and Customer will pay for same in accordance with Paragraphs 2, 3, and 4. Receiver will use its best efforts to cause ACS to allocate available capacity and resources equitably among the Participating Customers. For purposes of Paragraph 7 and this Paragraph 8, an "equitable allocation" means that Customer's production will receive at least a pro-rata share of available resources or capacity (including any excess capacity used to produce parts banks) based on the dollar value of Customer's and other Participating Customers' respective purchases from ACS during the one (1) year period prior to the Effective Date.

9. Cooperation in Re-Sourcing. Receiver will cause ACS to provide Customer and its new supplier(s) reasonable access to ACS' manufacturing operations to facilitate the transfer of production of the Component Parts provided such access does not unreasonably interfere with production for other Participating Customers. Further, Customer agrees to give Receiver as much advance notice as possible, and in no event less than twenty-one (21) days' notice, regarding Customers re-sourcing plans so Receiver can manage ACS' operations in an efficient and economical manner.

10. Tooling Acknowledgement.

- (a) Within ten (10) days of execution of this Agreement, Customer will provide Receiver a list of all tooling, dies, test and assembly fixtures, jigs, gauges, paint racks, patterns, casting patterns, cavities, molds and documentation including engineering specifications and test reports together with any accessions, attachments, parts, accessories, substitutions, replacements, and appurtenances used by ACS in connection with its manufacture of Component Parts for the Customer (collectively "Tooling") and claimed to be owned by the Customer. Customer and Receiver will exercise best efforts in good faith to resolve any discrepancy or dispute relating to the ownership of such Tooling.
- (b) As soon as practicable, but in any event no later than forty-five (45) days after the execution of this Agreement, Receiver will attach to this Agreement Schedule B listing all Tooling Customer claims to be owned by Customer and to which the Receiver acknowledges and agrees are owned by Customer (the "Customer's Tooling"). By appending Schedule B, Receiver acknowledges and agrees that Customer's Tooling is owned by the Customer and that no person or entity other than Customer has any right, title or interest in

Customer's Tooling other than ACS' right, subject to Customer's unfettered discretion, to utilize Customer's Tooling in the manufacture of Component Parts pursuant to the terms of the Purchase Orders (as amended by this Agreement). Subject to Customer's compliance with the terms of this Agreement, Customer will have the right to take immediate possession of the Customer's Tooling at any time, should Customer elect to exercise such right, and Receiver agrees to cooperate with Customer in its taking possession of the Customer's Tooling.

- (c) In the event of a dispute as to the ownership of any one or more items of Tooling, Customer will have the right to apply to the Ontario Superior Court of Justice, Commercial List in the receivership proceeding of ACS to determine ownership of such Tooling.

11. No liability. The Receiver will not be deemed to be a successor to ACS in respect of any obligations under the Purchase Orders or the Tooling Purchase Orders (collectively, the "Customer Agreements") and Receiver is acting solely in its capacity of receiver and manager of ACS and with no personal or corporate liability. Subject to the Allowed Setoffs, Customer further agrees that Receiver will have no liability to Customer for, and Customer will indemnify and hold Receiver harmless from and against any claims of third parties for, (a) any failure to supply Component Parts, including without limitation, in the quantities or at the times requested by Customer, (b) breaches by ACS of any agreements it has with Customer, and (c) any liability for non-conforming or defective Component Parts sold to Customer, including in respect of product liability claims and claims for latent defects in such Component Parts. **FURTHER, RECEIVER HAS NOT GIVEN AND WILL NOT BE DEEMED TO HAVE GIVEN ANY CUSTOMER OR ITS SUCCESSORS OR PERMITTED ASSIGNS ANY WARRANTIES (INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE), IN RESPECT OF ANY COMPONENT PARTS OR CUSTOMER INVENTORY. ALL CONDITIONS AND WARRANTIES EXPRESSED OR IMPLIED BY THE SALE OF GOODS ACT OF ONTARIO DO NOT APPLY HERETO AND HAVE BEEN WAIVED BY THE CUSTOMER.**

A waiver by any party of any right or remedy under this Agreement on any one occasion will not be construed as a bar to any right or remedy which that party would otherwise have had on a subsequent occasion. No failure to exercise, nor any delay in exercising, any right, power, or privilege under this Agreement, by any party will operate as a waiver, nor shall any single or partial exercise of any right, power or privilege under this Agreement preclude any other or future exercise thereof or the exercise of any other right, power or privilege. The rights and remedies under this Agreement are cumulative, may be exercised singly or concurrently, and are not exclusive of any rights and remedies provided by any other agreements or applicable law. If any provision of this Agreement is held to be invalid or unenforceable, the remainder of this Agreement will not be affected thereby.

No term or provision of this Agreement may be waived, altered, modified, or amended except by a written instrument, duly executed by the parties hereto. This Agreement and all of the parties' obligations are binding upon their respective successors, and together with the rights and remedies of the parties under this Agreement, inure to the benefit of the parties and their respective successors; provided, further, no party will assign any of its rights under this Agreement.

For purposes of this Agreement, facsimile signatures will be treated as originals.

H. Jurisdiction. Customer agrees to submit to the jurisdiction of the Ontario Superior Court of Justice, Commercial List in connection with any dispute under this Agreement and agrees that if the Receiver is required to seek the assistance of the Receivership Court to enforce this Agreement, in addition to any other remedies

available under applicable law, the Receiver will be entitled to recover its reasonable lawyer's fees and costs so incurred.

I. Entire Agreement; Conflicts; Ambiguous Language. This Agreement, together with any other agreements and schedules referenced to herein or executed in connection with this Agreement, constitutes the entire understanding of the parties in connection with the subject matter hereof. To the extent any term or condition of this Agreement is inconsistent or in conflict with the terms of any other agreements between ACS or the Receiver and the Customer, the terms of this Agreement will govern and control to the extent necessary to resolve such inconsistency or conflict. This Agreement is being entered into among competent persons who are experienced in business and represented by counsel, and has been reviewed by the parties and their respective counsel. Therefore, any ambiguous language in this Agreement will not necessarily be construed against any particular party as the drafter of such language.

J. Governing Law. [ZEIFMAN PARTNERS INC. LETTERHEAD]

May ____, 2010

Re: ACS Precision Components Partnership ("ACS")

Dear Customer:

ACS manufactures various component parts (the "Component Parts") for _____ ("Customer" or "you") pursuant to various purchase orders and supply contracts (each a "Purchase Order" and collectively the "Purchase Orders"). At approximately ____ p.m. E.D.T. on May 6, 2010 (the "Effective Date"), the Ontario Superior Court of Justice, Commercial List, entered an order (the "Receivership Order") appointing Zeifman Partners Inc. as receiver and manager (the "Receiver") of ACS.

The Receivership Order provides that the Receiver is under no obligation to allow ACS to continue to produce Component Parts for any customer unless such customer enters into acceptable arrangements with the Receiver. The purpose of this letter agreement is to set forth the terms and conditions pursuant to which the Receiver will allow ACS to manufacture Component Parts for you.

Subject to the availability of sufficient financing, raw materials, labor and machine capacity and subject to the following terms, the Receiver will use its best efforts to cause ACS to continue to manufacture Component Parts in accordance with Customer's requirements:

1. **Payment of Existing Accounts.** You acknowledge and agree that the aggregate amount owing by you to ACS for Component Parts shipped on or before the Effective Date (the "Pre-Effective Date Payables") is no less than CDN \$_____. By May ____, 2010, you will pay all Pre-Effective Date Payables in accordance with the terms of Section 3 below.
2. **Expedited Payment Terms.** For shipments of Component Parts to you after the Effective Date (the "Post-Effective Date Payables"), you will pay for all invoices provided by ACS on terms of net seven (7) days or better.

3. **Limitation of Setoff Rights.** With respect to Pre-Effective Date Payables and Post-Effective Date Payables, you agree to suspend and not assert any defenses, rights and claims for setoffs, deductions and/or recoupment other than for Allowed Setoffs. For purposes of this letter agreement, "Allowed Setoffs" means setoffs, recoupments or deductions for defective or nonconforming products, short shipments, misshipments, or billing errors (improper invoices or mispricing). Provided further that under no circumstances shall (a) Allowed Setoffs exceed ten percent (10%) of the face amount of any *bona fide* invoice, or (b) setoffs or recoupments, including Allowed Setoffs, be taken against the Surcharge (as defined below).
4. **Surcharge.** For all Component Parts shipped to you after the Effective Date, you agree to pay a [thirty percent (30%)] increase (the "Surcharge") in excess of current Purchase Order prices.
5. **Inventory Purchase.** You agree to purchase from Receiver, at the time of resourcing any Component Part, all raw materials, work in process and finished goods inventory related to the manufacture, production or assembly of the subject Component Part (collectively, the "Customer Inventory") that is "useable" and in a "merchantable" condition. The price for the Customer Inventory to be purchased under this Section will be calculated as follows:
 - (a) for raw material – 100% of the cost of the raw material, with cost based on ACS' actual landed cost;
 - (b) for work-in-process – 100% of the applicable Purchase Order price plus the Surcharge, with such amount pro-rated on a percentage of completion basis; and
 - (c) for finished Component Parts – 100% of the applicable Purchase Order price plus the Surcharge.

For the purpose of this Agreement, the term "useable" means inventory in quantities that are reasonably useable by you or your new suppliers in the production of Component Parts. The term "merchantable" as used in this Agreement means of good quality and in conformance with any applicable Purchase Order specifications. You agree to pay the purchase price for the Customer Inventory without setoff, recoupment or other deduction of any kind or nature within three (3) days of taking delivery of such Customer Inventory.

6. **No Liability.** Receiver is acting solely in its capacity of receiver and manager of ACS and with no personal or corporate liability. Further, Receiver will not be deemed to be successors to ACS in respect of any obligations under the Purchase Orders. You also agree that the Receiver will have no liability to you for, (a) any failure to supply Component Parts, including without limitation, in the quantities or at the times requested by you, (b) breaches by ACS of any agreements it has with you, and (c) Component Parts sold to you (including in respect of product liability claims and claims for latent defects in such Component Parts).

7. **No Warranty.** RECEIVER HAS NOT GIVEN AND WILL NOT BE DEEMED TO HAVE GIVEN ANY CUSTOMER OR ITS SUCCESSORS OR PERMITTED ASSIGNS ANY WARRANTIES (INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE), IN RESPECT OF ANY COMPONENT PARTS OR CUSTOMER INVENTORY. ALL CONDITIONS AND WARRANTIES EXPRESSED OR IMPLIED BY THE SALE OF GOODS ACT OF ONTARIO DO NOT APPLY HERETO AND HAVE BEEN WAIVED BY THE CUSTOMER.

Please acknowledge your agreement to these terms by signing in the space provided. This letter may be signed in counterparts and facsimile copies of signatures will constitute originals for all purposes. This letter sets forth the entire understanding of the parties with respect to the subject matter hereof.

Dear Sirs:

Re: **In the Matter of the Receivership of ACS Precision Components Partnership (the "Partnership")**

In accordance with your instructions, we have now completed our review of the Security (as hereinafter defined) held by Bank of Montreal ("BMO") in respect of indebtedness purportedly owing by the Partnership to BMO.

By this letter, we wish to provide to you our opinion respecting the validity and enforceability of the security interests granted by the Partnership to and in favour of BMO.

A. **SECURITY**

We have examined photocopies of the security and certain related documents provided to us as described herein. Such documents may be summarized as follows:

1. a General Security Agreement dated December 31, 2008 executed and delivered by the Partnership to and in favour of BMO (the "GSA");
2. Section 427 *Bank Act (Canada)* security consisting of:
 - (a) Notice of Intention dated December 17, 2008 as registered on December 19, 2008 as number 01235112;
 - (b) application for credit and promise to give Bills of Lading Warehouse Receipts or Security under Section 427 of the *Bank Act* dated December 31, 2008;

- (c) Agreement as to loans and advances and security therefore dated December 31, 2008; and
- (d) security under Section 427 (1) of the *Bank Act* dated December 31, 2008 (collectively the "*Bank Act Security*").

The GSA and the *Bank Act Security* are collectively referred to herein as the "*Security*".

B. SEARCHES

We have performed the usual searches, particulars of which are detailed below:

1. **Corporate Searches**

Attached as **Schedule "A"** is a Business Names Report indicating that the Partnership has registered as a General Partnership on December 3, 2008 with the partners being 2178124 Ontario Inc. and A-C (Plastics) Holdings, Inc.

2. **Searches Pursuant to the *Personal Property Security Act* (Ontario) ("*PPSA*")**

We have obtained a certified print-out pursuant to the provisions of the *PPSA* against the Partnership. Attached as **Schedule "B"** is a summary of that print-out. The summary describes, among other things, the file currency date of each search, particulars of each registration and in the columns marked "**Collateral Description**" and "**Miscellaneous**", we have noted any other information apparent from the financing statements and financing change statements registered against the Partnership.

3. **Searches Pursuant to the *Bank Act* (Canada)**

We have obtained a search from the Bank of Canada in Ontario which confirms that the Bank filed a Notice of Intention to Give Security under section 427 of the *Bank Act* against the Partnership as Registration No. 01235112 on December 19, 2008.

C. OPINIONS

Based solely on the foregoing, and subject to the limitations as set out in this letter, we are of the opinion that the *Security* is valid and enforceable by BMO against the Partnership in accordance with the terms thereof.

D. LIMITATION OF OPINION

The foregoing opinion is also subject to the following qualifications, reservations and assumptions:

- 1. this opinion is confined to statements of fact or matters set forth herein as existing as of the date of this opinion;

2. in examining and reviewing the Security, we have assumed the genuineness of all signatures and the conformity to the originals of all documents submitted to us as photostatic, notarial, certified or true copies;
 3. we have relied upon certificates of public officers as to matters of fact not stated herein to have been assumed or independently verified or established by us;
 4. we have assumed the accuracy and currency of the indexes and filing systems maintained at the public offices where we have searched or enquired or have caused such searches or enquiries to be conducted;
 5. we have not reviewed the Partnership's Partnership Agreement or Agreements nor any documentation with respect thereto. Accordingly, we have assumed that the Partnership is a partnership which had been duly formed and organized under the laws of the Province of Ontario at the time the Security, or any part thereof, was executed and that the Partnership had all necessary corporate power and authority to execute and deliver the Security;
 6. we have assumed that: (i) monies were advanced by BMO to the Partnership, (ii) that monies are, in fact, still owing by the Partnership to BMO with respect to such advances; and (iii) that the Bank Act Security was executed and registered prior to the advance of monies secured thereby;
 7. we have assumed that the execution, delivery and performance by the Partnership of and under the Security has been duly authorized by all necessary legal action, and that the Security has been duly executed and delivered;
 8. we have assumed that the security interests created by the Security have attached in accordance with the provisions of the PPSA and or the *Bank Act*;
 9. we have assumed that any financing statements and financing change statements registered respecting the Security were completed in compliance with the PPSA and the Regulations with respect thereto and that the Bank Act Security has been filed and preserved in accordance with the Bank Act and the Regulations with respect thereto;
 10. no opinion is offered as to the title to any personal property of the Partnership;
 11. the Partnership is a party to which the *Bank Act* applies and that the Partnership's principal place of business at the time it granted the Bank Act Security to the Bank was located in Ontario;
 12. we have assumed that the Partnership does not have any legal defences for, without limitation, absence of legal capacity, fraud by or to the knowledge of BMO, misrepresentation, undue influence or distress;
-

13. to the extent that the *Bankruptcy and Insolvency Act* (Canada) applies to the Security and notwithstanding any other Federal and/or Provincial law, the rights of unpaid suppliers interest in certain goods supplied by them to a person prior to bankruptcy and the rights of employees to certain unpaid amounts earned in the 6 month period prior to the date of the receivership may rank ahead of the security interests of BMO in the goods supplied;
14. the binding effect and enforceability of the obligations of the Partnership are subject to applicable bankruptcy, insolvency, re-organization, moratorium and similar laws relating to or affecting the enforcement of creditor's rights generally;
15. no opinion is expressed with respect to the priority of the Security as against the other creditors of the Partnership, including whether or not any registration by any party against the Partnership might be in respect of any purchase money security interest, and in particular to the existence or priority of any interest not registered or not required to be registered under the legislation referred to herein, including, without limitation, Crown claims; and
16. we are qualified to practice law in the Province of Ontario only and, accordingly, express no opinion herein as to the laws of any jurisdiction other than the Province of Ontario and the laws of Canada applicable herein.

With respect to our assumptions referred to above, we would suggest that you satisfy yourself that all monies referred to in paragraph 6 above were actually advanced by BMO to the Partnership, and that the Partnership is still indebted to BMO with respect thereto. We note that the acknowledgment seems to indicate that there is an outstanding valid debt.

We note that the Partnership provided an Acknowledgment regarding the credit facilities and security dated April 23, 2010 which is attached hereto. In that Acknowledgment, the Partnership acknowledges, *inter alia*, that it has granted the Security and that the Security is binding and enforceable upon the Partnership in accordance with its terms.

The opinions expressed herein are provided solely for your benefit and may not be used or relied upon by any other person in connection with this or any other matter.

We appreciate the opportunity of being of service to you with respect to this matter and look forward to any questions or comments which you may have in relation thereto.

Yours very truly,
MINDEN GROSS LLP
