6 March 2018

SF Dunphy J

Re Interested Parties are wishing to schedule a motion seeking relief as against the Receiver in its personal capacity but takes no position re approval of R + D or Fees of professionals given my command made in court that I would not approve activities generically about a particular issue to resolve. Re Interested Party motion (leave will be sought) to be scheduled at a 9:30 as soon as practicable and via court call. Order approved as amended by me.
