Endorsement of Gilmore, J.

The attached Order related to the payout of Elle Mortgage and two lien claimants is unopposed. The Order is in effect immediately.

The balance of today's conference focused on scheduling a motion for a contested passing of accounts with respect to the Receiver's Fourth Report. The 1st and 2nd mortgagees as well as the Pizale Respondents intend to challenge both the contents of the Report as well as the Receiver's and the Receiver's counsel's fees. As per the case law discussed, questions related to the contents of the Report may be done by way of written interrogatories. Cross-examination on the affidavits related to the accounts to be scheduled as out of court cross-examinations with transcripts made available for the hearing.

The motion to take place on August 10, 2021 at 10:00 a.m. for two hours.

Counsel may return to me for a short conference in the event there are further scheduling issues.
