57. Mr. Marchant indicated that Barclays charged and was paid the development management fee of \$100,000 per month for each Legacy Project.⁴⁰
58. Mr. Marchant also provided us with the following chart and indicated that “it was agreed with Barclay at the time of the Phase 1 offering that the pre-construction Development Schedule would be 12 months.”⁴¹ However, as shown in the chart below, Barclay’s budgeted fees for the pre-development phase were fully paid faster than anticipated (i.e., within 12 months) and before the pre-development phase was completed.

LVSH

59. As the Legacy Project's operator, LVSH charged fees to the Legacy Projects primarily for sales and marketing services. Although requested, to date we have not yet been provided with a contract in respect of the services to be provided or the fees to be earned by LVSH;⁴² however, Mr. Marchant has indicated that LVSH's "fees per month were based on their operating costs relative to their overall scope of work."⁴³
60. Mr. Marchant provided us with the following chart, which sets out the budget-to-actual fees for LVSH:⁴⁴

61. As shown in the table above, for all of the projects other than Ocoee, the LVSH pre-construction budget had not yet been exhausted; with respect to Ocoee, LVSH had charged more than the pre-construction budgeted amount.⁴⁵ Mr. Marchant stated that "Ocoee was the first Legacy project and the primary subject of review with potential construction lenders. LV Senior Housing spent a great deal of their time working on the Ocoee project and therefore went overbudget on their pre-development activities."⁴⁶

⁴² We have requested these contracts from Mr. Marchant.

⁴³ Source: Memo from Phillip Millar and Gregory Marchant to Cohen Hamilton Steger, dated June 7, 2022, Response to Question 3.

⁴⁴ The Development Fee is the portion of Barclay's Development and Construction Management Fee that was shared with LVSH as discussed above.

⁴⁵ "Other Admin/Operator Pre-Development" represented fees charged by LVSH as well as third-party costs associated with LVSH's overall scope of work.

4.2.2 Additional Advisory Fees

62. Similar to the Advisory Fees paid to Mr. Marchant, there were also other parties that earned Advisory Fees for services related to sourcing of capital for the Legacy Projects, specifically:

Table 8: Additional Advisory Fees

63. These fees were not included in the pre-construction Phase 1 budgets; therefore, they represent unbudgeted cost overruns.

4.3 Other Unbudgeted Expenses

4.3.1 HGR Construction Settlement and Expenses

64. We understand that HGR Construction Inc. ("HGR") is a general contractor that had a contract to work on the Ocoee project.⁴⁷ Mr. Marchant indicated that HGR had pre-purchased certain materials for the project and when the Legacy Projects' builder, Killian Construction Co., left the project, HGR demanded payment for the purchased materials. As a result, HGR commenced proceedings against the Ocoee Project entities, Killian Construction Co., Greg Marchant, and others, and registered several liens against the properties.⁴⁸

⁴⁷ Source: Discussions with Mr. Marchant and www.hgrconstruction.com/about/. Mr. Marchant stated that Barclay executed a contract with HGR without his knowledge.

⁴⁸ Source: Notice of Voluntary Dismissal with Prejudice, dated February 1, 2018, and Documentation showing satisfaction of liens.

Page 19

Mr. Allan Rutman

September 8, 2022

65. The HGR litigation was settled for a total payment of \$625,000;⁴⁹ however, we noted that \$480,000 of the settlement funds came from Legacy Projects other than Ocoee. Mr. Marchant indicated that HGR's lawyer "stated that Barclay had promised HGR contracts for all 5 Legacy projects. Further, Legacy (referencing to all projects) was told that if 'we' (Legacy) did not settle with HGR on the Ocoee project, HGR would commence action against all Legacy projects."⁵⁰
66. In addition, Ocoee paid out approximately an additional \$155,000 to HGR for extended general conditions for labour expenses incurred by HGR due to delays in the project start-up and shop drawings.⁵¹
67. The above expenses paid to HGR were generally classified as "Construction Management" on Ocoee's budget-to-actual analysis and were not included in Ocoee's pre-construction budget; therefore, they represent unbudgeted cost overruns (refer to Schedule 1).⁵²

4.3.2 Ocoee Sales Office

68. The Ocoee Project spent \$363,581 on the buildout, furnishing, and operation of a sales office, which was not contained in the pre-construction budget for this project; therefore, it also represents an unbudgeted cost overrun (refer to Schedule 1).
69. We have requested Mr. Marchant explain the nature of these expenses and why they were not originally anticipated in the pre-construction budget.

4.3.3 Purchase of SDA Ownership Interest

70. On December 15, 2017, the Trailwinds Project purchased the promissory note of one of Ocoee's Creditors, SDA Services Group Inc. ("SDA"). SDA was one of the originally Creditors of Ocoee and had loaned \$211,995 to the Ocoee Project.⁵³ After accounting for accrued interest and foreign exchange, SDA was owed \$397,474, which was paid with Trailwinds Project funds.

⁵¹ Source: Document titled "Legacy trial balance and activity (2017 on)" and document titled "HGR (GC) Invoices", pages 20-22.

⁵² \$35,000 of the settlement with HGR was classified as a "Sales Office" expense (discussed in Section 44.3.2 below).

⁵³ Source: Payout Statement and Release between Legacy Lifestyles Ocoee LP and SDA Services Group Inc., dated December 15, 2017.

The purchase of this promissory note was not included in the Trailwinds pre-construction budget and therefore represented an unbudgeted cost overrun (refer to Schedule 5).

71. Mr. Marchant indicated that this note was purchased because, at the time, it was expected that Ocoee refinancing would occur within approximately six months and, by purchasing this note, the projects would have saved paying additional interest to SDA Services and earned profit participation as part of the Phase 2 equity syndication.⁵⁴

4.3.4 Other Unbudgeted Expenses

72. There were several other expenses that were incurred by the Legacy Projects that were not included on the pre-construction budgets, and, therefore, represent unbudgeted cost overruns (refer to Schedules 1 to 5). These costs are summarized in the chart below:

Table 9: Other Unbudgeted Fees Paid

Source: Schedules 1 to 5.

73. We have asked Mr. Marchant to explain the nature of these expenses and why they were not originally anticipated in the pre-construction budget.

4.4 Hedge Margin

74. Many of the Legacy Projects' Creditors elected to be repaid at a fixed USD:CAD foreign exchange rate. As a result, the Legacy Projects entered into hedge contracts with Velocity Trade. The budgeted expense associated with these hedge contracts was significant (i.e., a total of \$4.3 million); however, the actual expense was far lower than anticipated (i.e., a total of \$1.02 million). This resulted in additional funds available to each Legacy Project.

⁵⁴ Source: Memo from Phillip Millar and Gregory Marchant to Cohen Hamilton Steger, dated June 7, 2022, Response to Question 26. We have followed up with Mr. Marchant to see if this opportunity was available to other Creditors.

Page 21
Mr. Allan Rutman
September 8, 2022

4.5 Permits

75. Given that the Legacy Projects did not reach the “shovel-ready” phase, amounts spent on permits were less than budgeted (i.e., total spending of \$380,000 versus a budget of \$1.13 million), with the exception of Ocoee.

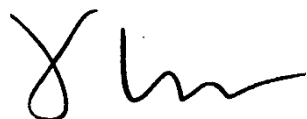

5.0 ASSUMPTIONS

76. In addition to the assumptions set out in the body of this report and in the related schedules, we have made the following assumptions:
- a) We have not conducted an audit of or otherwise verified the financial information provided to us in this matter and have assumed them to be accurate;
 - b) We have requested additional information and clarifications from Mr. Marchant; we have assumed information provided to date is as set out herein; and,
 - c) We have relied on comments and representations as presented to date by Mr. Marchant and his Counsel.

MEMORANDUM

To: Phillip Millar and Gregory Marchant

CC: Lorne Silver

From: Cohen Hamilton Steger

Date: August 15, 2022

RE: BERKID INVESTMENTS LTD. ET AL V. HUNTER MILBRONE ET AL

LIST OF FOLLOW UP QUESTIONS AND REQUESTS FOR GREGORY MARCHANT

1. The LV Senior Housing contract was not provided in response to Undertaking #2. Was there a contract with LV Senior Housing for each project? If yes, provide it.
 - a. If no, how were the invoiced amounts each month determined and agreed upon? Provide any correspondence in this regard.
2. Mr. Marchant's answer to undertaking #7(i)(c) indicates that the investment management fee was not included in the pre-development (i.e., Phase 1) budget but that in the full project financial model, *"Investment Management is to be paid at \$100,000 annually until the project reaches operational stabilization at which point the annual Investment Management payment would switch to a percentage of annual revenue."*
 - a. Please identify where in the full financial model this \$100,000 investment management fee expense is shown. Provide a breakdown of the expense line item reflecting this.
 - b. Was it ever communicated to creditors that the pre-construction budget was for only one year and that an investment management fee would be charged after one year? If yes, provide support.
3. We prepared a summary of all payments made to LV Senior Housing by both BGV (on the general ledger) and out of the project bank accounts, which totaled \$4,765,082 (see Exhibit 19 attached). Please explain how this reconciles with Mr. Marchant's answer to undertaking #7(iii), which shows total payments to LV Senior Housing of \$4,406,835.

August 15, 2022

- a. Based on a review of these expenses and Mr. Marchant's answer to undertaking #7(iii), it appears that LV Senior Housing charged the Trailwinds project significantly more than the other projects (i.e., \$2 million for Trailwinds vs. \$800,000 to \$1 million for the other projects). Why did LV Senior Housing charge Trailwinds so much more than for the other projects when it appears that it was the furthest away from completion?
 - i. Specifically, Mr. Marchant's Answer to Undertaking #4 shows that all but one invoice starting in March 2018 related to Trailwinds. Was LVSH doing any work related to the other projects at this time? If so, provide details.
 - b. Many of LV Senior Housing's fees were charged to the expense line item on the project balance sheets titled "Other Administrative/Operator Pre-Development" (classified as "Premarketing" and "Preopening" expenses on the budget). Confirm that these line items were meant to encompass LV Senior Housing's fees and expenses (e.g., office expenses).
4. Please clarify Mr. Marchant's answer to undertaking #8, which states that *"Summerlin Investment Structuring payments transferred from incorrect account, subsequently recorded correctly per project specific contracts."*
 5. Mr. Marchant's answer to undertaking response #10 attached several draw requests from Barclay. Why do the budgeted amounts in the draw requests differ from the pre-construction budgets that were in the data rooms? For example, the Ocoee pre-construction budget in the data room showed costs of \$6,886,191, whereas the draw requests from Barclay show budgeted costs of \$4,686,190.50.
 - a. In addition, specifically, why are premarketing expenses shown to be \$444,500 in the pre-construction budget but only \$51,900 on the Barclay draws?
 6. Mr. Marchant's answer to undertaking response #19 shows a budget to actual comparison for the Ocoee project. There are several expense categories that were not included in the budget but for which the project incurred costs, specifically:
 - i. Administrative
 1. Taxes - \$49,745;
 - ii. Development and Other Fees:
 1. Advisory Fee – SOS - \$22,200;
 2. Professional Fees - \$60,927;

August 15, 2022

3. Developer Admin Expense - \$187,874;
 4. Equity Syndication Legals - \$131,557;
 5. Equity Syndication Related Expenses (Investment Marketing) - \$36,952;
 6. Sales Office (Buildout, FF&E, Operating and Staff Costs) - \$363,581; and,
 7. Construction Management - \$750,134.
- a. Please explain the nature of these expenses and why they were not originally budgeted for in Phase 1 of the project.
 - b. Based on a review of the document titled "Legacy trial balance and activity (2017 on).xlsx" (the "2017 general ledger"), the "Developer Admin Expense" expenses have names that appear to relate to intercompany expenses (e.g., Developer Admin Expense (11100 · Due From Intercompany:11101 · Due From - Legacy Lifestyles)). Please explain the nature of each individual "Developer Admin Expense" line item on the 2017 general ledger for each project (e.g., Rows 44-49 of the "Ocoee Project" Tab of the 2017 general ledger) and provide a breakdown of what is included therein.
 - c. How was the Advisory Fee with SOS (and Thornbridge Capital on other projects) determined and agreed upon? Where was the money to pay these fees expected to come from given that the money raised by debt was already allocated in the budget? Provide any correspondence in this regard.
7. Mr. Marchant's answer to undertakings response #19 provides a comparison between the Ocoee budget and its balance sheet. Provide a mapping from the 2017 general ledger that was provided to us to the balance sheets for all five projects (e.g., a mapping from the 2017 general ledger, "Ocoee Project" Tab to the balance sheet accounts).
 - a. The 2017 general ledger that was provided to us appears to be out of date when compared to the balance sheets in Exhibit E of the Affidavit of Gregory Marchant sworn December 20, 2021. Please provide an updated general ledger document that ties in with the balance sheets.

August 15, 2022

For example, in the chart below, we compare the total project cost as per the balance sheets to total 2021 cost per the 2017 general ledger:

| Project | Total Project Cost per: | | Difference |
|------------|-------------------------|----------------|------------|
| | Project Balance Sheets | General Ledger | |
| | \$ | \$ | \$ |
| Ocoee | 8,480,776 | 8,307,972 | 172,804 |
| Longleaf | 4,907,324 | 4,568,001 | 339,323 |
| Destin | 6,796,786 | 6,584,032 | 212,754 |
| Summerlin | 5,730,339 | 5,583,638 | 146,701 |
| Trailwinds | 8,881,381 | 8,635,556 | 245,825 |

- b. What do the “Dentons” third party payable expenses shown on the project balance sheets relate to?
8. On the Trailwinds, Destin, and Summerlin Phase 1 budgets in the data rooms, there is an expense line included under “Professional Fees” that is titled “Consultants”. What expenses were budgeted for under that line item?
9. Mr. Marchant’s answer to undertaking response #22 asks for further clarification on the question “Provide the status for each of the 5 projects as of March 2020 (i.e. pre Covid-19)”. Specifically, please provide details on what steps needed to be completed for each project to complete the Phase 1 Pre-Construction Phase (i.e., what was included in each projects pre-construction budget) in order to progress to the construction and lease-up phase.
 - a. What is the current status of each of the projects?
10. As part of Mr. Marchant’s answer to undertaking response #24, he provided email records of documents being provided to Trailwinds creditors, including the Trailwinds investor presentation. Were the investor presentations for the other four projects sent to creditors for those projects? If yes, provide email records of these being sent.
 - a. In the alternative, provide email records of links to the data rooms being provided to creditors of the other four projects.
11. In Mr. Marchant’s answer to undertaking response #26, he references the opportunity to earn a return through Phase 1 and Phase 2 by purchasing the SDA Services Group loan. Did the projects offer other investors the opportunity to have their loans and accrued interest purchased early? If not, why was this opportunity limited to SDA Services Group?

August 15, 2022

12. In the preamble to Mr. Marchant's answers to undertakings, he notes that *"At all times investors were advised of the path we all were on and over the past 3 years the path(s) were selected by overwhelming investor vote. Their ultimate mandate to me was the immediate return of all invested capital and ideally a profit share. Numerous options were presented to the investors along the way, all options that did not deliver the mandate referenced above, were rejected."*
 - a. Please clarify what is meant by "investors" in the above statement. Is Mr. Marchant referring to the creditors that lent money to the Canadian LPs?
 - b. Mr. Marchant stated that *"Their ultimate mandate to me was the immediate return of all invested capital and ideally a profit share."* Would the return of invested capital have included the 30% annual interest owed to the creditors?
13. Mr. Marchant asked for a clarification in respect of request #17a in the document titled "List of Expenses Requiring Additional Documentary Support" (i.e., a \$200,000 expense charged by LVSH). This expense is shown on the document titled "2016 Legacy Activity" (the "2016 general ledger"), on the "GL" tab, Row 429.
14. On the 2016 general ledger, there is a tab titled "LLC". Please explain the nature of the calculation on this tab.
15. On the 2016 general ledger there are tabs beginning with the word "Manitoba". What is shown in these tabs?
 - a. There are allocations of various expenses calculated on the right side of these tabs (e.g., Columns AA to AF, Rows 54 to 73, of the "Manitoba Summerlin" Tab). What is the nature and purpose of these allocations?
16. On January 23, 2017 LVSH charged \$125,000 in developer's fees to "LLSH" as per the BGV ledger (2017 general ledger, "Detailed GL" Tab, Row 362). What project did this relate to? How was the amount determined? Provide any correspondence in this regard.
 - a. Please also explain the "Due from Partners" expense charged by BGV Limited for \$125,000 on Row 363 of the Detailed GL Tab on the 2017 general ledger.

*Legacy Lifestyles Group
Report to Creditors
April 18, 2022*

As you are aware, pursuant to the Amended Order of the Ontario Superior Court of Justice (Commercial List), dated February 11, 2022 (the “Appointment Order”), Zeifman Partners Inc. (the “Receiver”) was appointed as Receiver of the Legacy Lifestyles Manitoba General Partnerships and Limited Partnerships as well as the related Delaware Limited Liability Corporations that own the five vacant real estate projects otherwise known as:

- Destin
- Longleaf
- OCOEE
- Summerlin/Ft. Myers
- Trailwinds

It has been approximately two months since the Receiver’s appointment, and we outline below actions that the Receiver has undertaken in furtherance of efforts to obtain financing in accordance with the terms of the Appointment Order in order to pursue restructuring efforts.

APPRAISALS

Pursuant to the Appointment Order, the Receiver was authorized to obtain appraisals of the five Florida real properties. The appraisals are a pre-condition to the Receiver obtaining the financing necessary for it to carry out its duties under the Appointment Order.

The Receiver made detailed enquiries with the proposed lender Hillmount Capital Inc. (“Hillmount”) as well as contacting its own sources in the Florida marketplace with a view to determining which appraisal firms had experience in senior living communities as well as having a commercial expertise.

The Receiver engaged CBRE to conduct the appraisals on February 16, 2022. The appraisals were completed around March 9, 2022. The appraisal values were sufficient to satisfy the ratio of loan to value mandated by Hillmount in order to advance up to CA\$3.6 million.

RECEIVER LOANS

While the Receiver had been in contact with Hillmount prior to receipt of the appraisals, to determine Hillmount’s interest as acting as lender to the Receiver, negotiations had to await receipt of appraisals to support the lending requests. Once the appraisals were

received and forwarded to Hillmount, Hillmount commenced its due diligence in respect of the properties. Hillmount and the Receiver agreed on virtually all the lending terms around March 21, 2022.

The nature of the financing is complex for a number of reasons including:

1. The lender is in Canada while the real properties are located in Florida necessitating retention of US counsel.
2. The Receiver sought to avoid the need for recognition of the receivership proceedings in the US with a view to expediting consummation of the loan and advances in respect thereto as well as minimizing the costs in seeking title insurance and registering security. As the transaction was a substantially US based one, Hillmount would be seeking to register either through the Receiver or on its own behalf first mortgages to secure advances. This would require postponements of existing mortgages on the properties in favour of the Manitoba Limited Partnerships as well as a consent of the Delaware LLCs to the mortgage, all of which is contemplated in the Appointment Order.
3. Although Hillmount did not require a recognition order it did require title insurance as a condition of advancing any funds.

The advances are set out on a property-by-property basis, recognizing the different creditors per property as well as the limits imposed by the individual property appraisals.

The interest rate as fee structure is competitive with similar type of transactions that are of a cross border nature.

TITLE INSURANCE ISSUES AND REALTY TAX ARREARS

The Receiver engaged Florida real estate counsel to conduct title searches as well as to contact title insurers. After conducting their own due diligence, the selected title insurer advised the Receiver around April 1, 2022, that title insurance would not be provided without formal recognition of the Canadian receivership proceedings under Chapter 15 of the United States Bankruptcy Code.

The Receiver also learned that there are substantial tax arrears on the Florida real properties, putting taxing authorities in a position to commence tax sales. The Receiver has been in contact with all tax authorities advising that it intends to pay a portion or all of the outstanding taxes but received no assurance that the taxing authorities would hold off on proceeding with the tax sales although counsel did advise the Receiver that such a

*Legacy Lifestyles Group
Report to Creditors

process can be quite lengthy. Nevertheless, once it is in receipt of financing, the Receiver intends to pay all or a portion of outstanding property taxes.

Below is a summary of tax arrears on each property:

| | |
|---------------------|--------------|
| Longleaf | \$202,717.40 |
| Destin | \$55,148.03 |
| Trailwinds | \$30,813.61 |
| OCOEE | \$25,134.34 |
| Summerlin/Ft. Myers | \$18,201.48 |

CHAPTER 15 RECOGNITION

As a result of the title insurer's position, the Receiver's counsel Dentons Canada LLP ("Dentons") contacted their US affiliates with a view to obtaining an urgent recognition order of the Appointment Order under Chapter 15 of the United States Bankruptcy Code. The preliminary hearing was held on an expedited basis on April 13, 2022 before the U.S. Bankruptcy Court for the Middle District of Florida (the "U.S. Court"). The U.S. Court granted provisional relief and set May 9, 2022 as the date for the final hearing. The US Court order has the added benefit of stopping the taxing authorities with continuing any enforcement action for now on the tax arrears.

Barring any unexpected opposition, the Receiver expects that the recognition order will be granted on May 9, 2022 and will be in a position to close the Hillmount financing shortly thereafter.

INSURANCE

The insurer providing liability coverage on the five parcels cancelled the insurance upon notification of the Receivership. The Receiver arranged for alternative coverage which is now in place.

REDEVELOPMENT

The Receiver has been in contact with the proposed developer of the Florida projects as well as an associate of the developer involved in sourcing the funding proposals. We understand both parties are still interested in proceeding with the projects, however they are unwilling to invest additional time and effort until such time as funding has been confirmed.

*Legacy Lifestyles Group
Report to Creditors
April 18, 2022*

Based on our discussions with, and due diligence in respect of, the developer and the proposed general contractor, the Receiver has determined that they are both well suited for the task at hand and have substantial experience in the development and construction of Florida real estate.

The Receiver has spent considerable time with principals of the debtors reviewing proposed development build-outs and lease-outs of the properties and the complex excel spreadsheets forming the proposed restructuring plan.

OTHER MATTERS

The Receiver has facilitated access by the Inspector to the records of the debtors in order to conduct their mandate as set out in the Court Order. We have maintained contact with the Inspector.

We look forward to answering any questions you may have and expect we will have more to report in May.

Yours very truly,

ZEIFMAN PARTNERS INC.

The Receiver’s initial draw request of US\$1,490,000 was funded. Below is a breakdown of the Receiver’s Certificates, dated May 10, 2022, issued in respect of each property:

| Property | Amount (USD) |
|-----------------|---------------------|
| Longleaf | \$550,000 |
| Destin | \$250,000 |
| Ocoee | \$230,000 |
| Summerlin | \$230,000 |
| Trailwinds | \$230,000 |
| Total | \$1,490,000 |

Initial funds were utilized by the Receiver to:

- (a) pay outstanding realty tax arrears for the period up to and including 2021 totaling US\$460,424, as required by the title insurer and Hillmount and to prevent any further tax sale proceedings;¹
- (b) pay fees to maintain proper corporate registrations of relevant corporate entities under both Florida and Delaware law; and
- (c) pay outstanding professional accounts of the Receiver and its counsel.

The remaining funds will be held by the Receiver to be applied against professional fees, expenses, and realty taxes on an ongoing basis.

DEVELOPMENT SERVICES WORK

With the Receiver's financing in place, and initial conservatory and protective measures completed, the Receiver commenced discussions with prospective developers and funders of the senior care facility projects (the "**Projects**") with respect to the build out and lease out of the Projects.

Prior to the receivership proceedings, pursuant to an engagement letter, dated March 29, 2021, N21 Group LLC ("**N21**") was engaged to prepare an offering memorandum and assist the Companies with securing project financing. Donald M. Lawson ("**Lawson**") is

¹ The total amount of realty tax arrears varies from the Receiver's previous report to creditors as a result of incomplete information provided to the Receiver by Tax authorities.

the principal of N21 and was in discussions with Greg Marchant to act as a developer for the Projects. Lawson is also Principal/CEO of The Lawson Group Inc. based in Sarasota, Florida, and Principal of Lawson Group Architects Inc. The architectural firm has significant experience in the design of senior care facilities. A summary of N21's development experience is attached hereto as Schedule "A". A summary of Lawson's experience is attached hereto as Schedule "B". We understand N21 was introduced to the creditors at meetings scheduled by Greg Marchant as well as in correspondence and reporting.

The Receiver was advised by Greg Marchant that, prior to the receivership proceedings, N21 undertook professional development services without charge and would be compensated for their services when refinancing was committed and closed. Accordingly, the costs of such services were not originally included in the Receiver's budget forecasts.

The Receiver has been in extensive discussions with Lawson to engage N21 to provide development services for each of the Projects. N21 advised the Receiver that it undertook significant time and work to date without remuneration and was not prepared to provide further development services to bring the Projects to a shovel ready condition without a work fee. Lawson indicated that lenders/preferred equity new investors would not entertain applications that had shown little progress in the last two years. In his view expenditures and professional time were necessary to gain sufficient credibility with these groups. He was otherwise not interested in participating in bringing the projects to fruition.

N21's total developer fee is US\$850,000 per Project. The development services are broken into two phases. Phase 1 is the work required to ready the Projects to be marketed to potential financiers. Phase 2 is the construction of the Projects and turnover to a designated operator. Phase 1 will involve bringing the Projects to a "shovel ready" position. It will also entail the identification of a general contractor to construct the projects and an operator to manage the facility when built, and updating cash flow projections based on updated construction costs, operator input on facility revenue and expense modelling.

Lawson advises the Receiver that each of the Projects will have its own individual timing for completion of Phase 1 work. Each Project requires re-engagement with each jurisdiction to ascertain the status of the Project and the process required to move forward with permitting and other governmental approvals. With the current information available, N21 projects the following approximate time frame for the completion of the Phase 1 services:

- a) Longleaf: 60-90 days
- b) Destin: 60-100 days
- c) Summerlin: 60-120 days
- d) Ocoee: 60-120 days
- e) Trailwinds/Wildwood: 150-180 days

Lawson indicated that the Trailwinds/Wildwood Project, which was the last Project acquired pre-receivership, requires a substantial amount of work to prepare the Project for marketing to potential financiers. This is reflected in the longer timeline for Phase 1 and the higher cost of the Phase 1 work.

N21 provided to the Receiver estimated budgets for the completion of Phase 1 on a per Project basis. The budgets are attached hereto as Schedule “C”.

The Phase 1 budgets and costs of obtaining development approvals from municipalities are significantly higher than anticipated and exceed the budgeted sums that formed the basis of the Receiver’s loan request of \$3.6 million (US \$2.75 million). There are two main reasons for the increased costs. Firstly, there have been several building code changes in Florida over the last few years that will result in the need to revise a number of the building plans. Secondly, a number of the original parties involved in the original proposal are no longer in business (e.g. landscape architect) and so need to be replaced and their work redone. In addition, as noted above, the Receiver did not originally budget for the payment of N21’s development services prior to project financing.

As a result, the Receiver does not presently have sufficient funding to undertake the Phase 1 work. The work to be performed to satisfy lender conditions was originally estimated to be approximately USD \$550,000. The Receiver estimates an additional USD \$1 million of funding will be required to retain N21, complete the Phase 1 work and bring the Projects to a shovel ready condition. On a per project basis the cost is set out below:

- a) Longleaf: \$231,835
- b) Destin: \$269,870
- c) Summerlin: \$236,125
- d) Ocoee: \$285,425
- e) Trailwinds/Wildwood: \$457,425

The Receiver approached Hillmount to discuss the financing required to complete the Phase 1 work. At the outset of these proceedings the Receiver obtained appraisals of the five real properties to support its initial request for financing. As part of its due diligence to

determine whether it was prepared to provide the funding for Phase 1 work, Hillmount requested valuations of “market pricing” for the real properties in the event they are sold in their current condition. The Receiver obtained indications of value from CBRE. Based on such valuations, subject to certain conditions, Hillmount is prepared to fund the Receiver in the maximum principal amount of US\$4,231,845; provided, however that Hillmount is not prepared at this time to advance any additional funds against the Trailwinds/Wildwood Project. The interest rate is expected to increase to 12.5% per annum.

The increased funding will be allocated across the properties (not including Trailwinds/Wildwood) based on the CBRE indications of value and is expected to be sufficient to cover the costs of the Phase 1 work for the related four Projects and the ongoing expenses of the receivership, including professional fees, interest costs and property taxes. The Receiver’s original budget for certain costs were projected over a one year period, and due to unforeseen higher expenses and delays closing its funding, the revised projections are over an 18 month period.

The Hillmount funding conditions include certain milestones in respect of preparation of the Projects and obtaining project financing, failing which the properties will be listed for sale. Discussions with Hillmount and Lawson remain ongoing, and the Receiver intends to return to Court to seek approval of the final agreements with each party.

With respect to the Trailwinds/Wildwood Project, without an alternative funding source, the Receiver is currently not a position to undertake the Phase 1 work. Hillmount did advise that it would consider financing the Trailwinds/Wildwood Project in the future if the other four Projects are successfully brought to shovel-ready condition and refinanced. Based on feedback from the investors of such Project, the Receiver will make a recommendation to the Court with respect to whether this Project should simply be paused in the event that market conditions change favourably and financing becomes available, alternative financing pursued or sold in its present condition. In the event that the existing investors in the Trailwinds/Wildwood Project would like to fund the Phase 1 work, the Receiver requests that such parties contact it as soon as possible to discuss the feasibility and terms of such funding.

REFINANCING

In the event that the Receiver obtains adequate funding to undertake the Phase 1 work, it is anticipated that the financing process for any of the Projects can resume within approximately 30-45 days of retaining N21.

Prior to the receivership, Twisted Rock LLC (“**Twisted Rock**”), based in Bradenton, Florida, was engaged to secure debt and equity financing for the Projects from potential lenders and investors. The marketing process resulted in proposals from interested parties. None of the proposals were consummated due to the litigation and a lack of funds to meet pre-conditions required by potential lenders and investors. Those pre-conditions included the payment of outstanding realty tax arrears, the updating of marketing studies, the renewal of lapsed building permits and the preparation of certain valuations.

In the event that the Receiver is in a position to engage N21 and fund the Phase 1 costs, the Receiver intends to engage Twisted Rock to market the Projects to potential lenders and investors and also assist with the completion of due diligence and the satisfaction of conditions to financing. It is anticipated that Twisted Rock will contact parties previously interested in the opportunity with a view to requesting term sheets on an expedited basis. The terms of the engagements with Twisted Rock and N21 provide for the payment of a combined success fee on closing of a financing transaction of 3.75% broken down as follows:

- (a) Twisted Rock - 2% of total funds raised; and
- (b) N21 – 1.75% of total funds raised.²

Greg Marchant advised the Receiver that the potential funding sources for the Projects have existing relationships with Lawson and Brian Andrews, the principal of Twisted Rock. The Receiver understands that Mr. Marchant has no relationship with any of the potential funding sources. The retention of Lawson is a pre-condition to engaging Twisted Rock and the Receiver has been advised that Twisted Rock will not market the projects to lenders/investors without Lawson’s involvement.

The Receivership Order provides the Receiver with authority to enter into the engagement agreements with Twisted Rock and N21 as it is authorized and empowered to, among other things:

² This amount is in addition to the developer fee.

*Legacy Lifestyles Group
Second Report to Creditors

- (a) engage consultants to assist with the exercise of the Receiver's powers and duties; and
- (b) request proposals with respect to refinancing, investments or joint ventures in respect of the real properties and negotiate such terms and conditions that the Receiver in its discretion may deem appropriate.

However, due to significantly higher than anticipated costs of the Phase 1 work, in the event funding becomes available, the Receiver will return to Court to seek approval of additional borrowings and contemporaneously seek approval of the engagements of N21 and Twisted Rock.

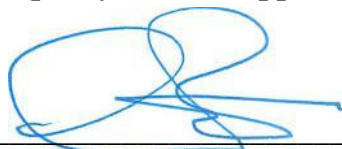

This report has been prepared for the benefit of the creditors of each of the Companies.

If any creditors have any questions about any of the Receiver's activities discussed in this report, please contact the Receiver forthwith.

foreign bankruptcy estate of the Debtors, seeking an order granting certain provisional relief, including imposition of the stay pursuant to section 362 of the Bankruptcy Court. The Court, having considered the Emergency Motion for Provisional Relief, the argument of counsel, and being otherwise duly informed, the Court makes the following Order.

The Court finds:

- A. Due and timely notice of the filing of the Chapter 15 Petition and the Hearing was given by the Foreign Representative as directed by this Court.
- B. This Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334, and 11 U.S.C. §§ 109 and 1501.
- C. Venue of this proceeding is proper in this judicial district pursuant to 28 U.S.C. § 1410, because the Debtors have property in the United States within this judicial District.
- D. This is a core foreign proceeding under 28 U.S.C. § 157(b)(2)(P).
- E. There is substantial likelihood of success on the merits that the Foreign Representative will be able to demonstrate that the Canadian Proceeding is a foreign main proceeding entitled to recognition under 11 U.S.C. § 1517(b)(1)-(2), that the Foreign Representative is the duly appointed foreign representatives of the Debtors pursuant to 11 U.S.C. §§ 102(24) and 1509, and the Foreign Representative, in his capacity as foreign representatives of Debtors, is entitled to protections afforded by sections 1520 and 1521 of the Bankruptcy Code.
- F. Issuance of this Order is necessary to preserve the status quo, as the Foreign Representative has demonstrated that unless this Order is issued, there is a risk of irreparable injury to the value of the Debtors' real property interests to the detriment of the Debtors' creditors.

G. Given there are no opposing parties and the provisional relief requested is narrowly tailored in scope and duration, the threatened injury to the Debtors' estates outweighs whatever damage the requested relief may cause an opposing party.

H. The interest of the public will be served by this Court's entry of this Order.

Accordingly, it is **ORDERED** and **ADJUDGED**:

1. The Emergency Motion for Provisional Relief is **GRANTED**.
2. Pending entry of a recognition order pursuant to section 1517, the Foreign Representative and the Debtors shall be entitled to the full protections and rights under section 1519(a)(1), which protections shall be coextensive with the provisions of section 362 of the Bankruptcy Code, and this Order shall operate as a stay of any execution against the Debtors' assets within the territorial jurisdiction of the United States. Specifically, all persons and entities are hereby enjoined from (a) continuing any action or commencing any additional action involving the Debtors, their assets or the proceeds thereof, or their former, current or future directors and officers, (b) enforcing any judicial, quasijudicial, administrative or regulatory judgment, assessment or order or arbitration award against the Debtors or their assets, (c) commencing or continuing any action to create, perfect or enforce any lien, setoff or other claim against the Debtors or any of their property, or (d) managing or exercising control over the Debtors' assets located within the territorial jurisdiction of the United States except as expressly authorized by the Debtors in writing.
3. Pursuant to sections 1519(a)(3) and 1521(a)(7) of the Bankruptcy Code, section 362 of the Bankruptcy Code is hereby made applicable in this Chapter 15 case to the Debtors and the property of the Debtors within the territorial jurisdiction of the United States.

4. Notwithstanding anything to the contrary contained herein, this Order shall not be construed as (a) enjoining the police or regulatory act of a governmental unit, including a criminal action or proceeding, to the extent not stayed under section 362 of the Bankruptcy Code or (b) staying the exercise of any rights that section 362(o) of the Bankruptcy Code does not allow to be stayed.

5. This Order shall remain in effect pending the hearing on Foreign Representative's Motion for Order Granting Recognition of Foreign Main Proceeding Pursuant to Sections 1517 and 1520 of the Bankruptcy Code and Related Relief.

6. The Court shall retain jurisdiction with respect to the enforcement, amendment, or modification of this Order and any request by any person or entity for relief from the provisions of this Order.
