**ENDORSEMENT OF JUSTICE OSBORNE:**

1. The parties attended before me on November 30 for a continued case conference. It concluded on the basis that, if the parties were able to agree on the terms of a draft order and schedule they should submit same for my review.
2. They have now done that [indeed, they did so on December 1, although the email from counsel has been brought to my attention only today]. Accordingly, and given the consent of all parties to the revised draft interim receivership order, and a case management schedule for this matter:
  - a. order to go in the form signed by me today and attached to this endorsement. The order is effective immediately without the necessity of issuing and entering;
  - b. the interim receivership motion originally returnable December 8 is now moot and the December 8 hearing appointment is therefore vacated;
  - c. the following case management schedule will apply to the delivery of materials in order that the hearing for the balance of the relief sought in this proceeding will proceed, as already scheduled, for a one half day appointment on January 30, 2023:

Any further material by Oasis/Mark Rivers to be delivered by December 8, 2022 at 2 p.m.

Cross-examinations on December 12 and 14, 2022

Factum of Chriscwe by January 13, 2023

Factum of Oasis/Mark Rivers by January 20, 2023
